ADDENDUM 1

Request for Proposal #01-016

Title: Local Workforce Development Planning Services

The attention of all offerors is called to the following question submitted before the deadline of November 24, 2015. Response is in **bold**.

1. On page 17, in “Section IV. Proposal Requirements” under “5. Narrative Proposal” in the RFP document it states: “shall include all elements listed in Section B ‘Scope of Work’.” I do not see a scope of work section in Section B—can we safely assume that you mean to refer to the “Scope of Services” in the “Statement of Work section that begins on page 14? **The Narrative Proposal shall include all elements listed within the “Scope of Services” under the Statement of Work section beginning on page 14.**
2. Does the WDA currently have target sectors established? If so, would you please tell me what they are? **We do not have any targeted sectors established and are looking to identify in-demand industries based on recent data.**

Thank you for your interest in the Kane County procurement process.

Sincerely,

Maria C. Calamia
