ADDENDUM 1

Request for Proposal: #03-017

Title: Internet Connection Services

The attention of all offerors is called to the following conflicting information in the original proposal document for Internet Connection Services:

On Pages 2 and 18 the proposal document states that three year contract will be awarded with two possible one year renewal options. On Page 16 the proposal document states that pricing shall be quoted on the three year contract initial term and include an option to extend for an additional three years. **Page 16 is the correct renewal information.**

The attention of all offerors is call to the following question has been submitted and answered below:

What is the specific address where the service would be terminated? I assume 719 Batavia Avenue, Geneva, IL 60134 but is there a specific floor or room number? **It will terminate at either the Forest Preserve Building, Kane Branch Court, or Elgin Community College.**

Thank you for your interest in the Kane County procurement process.

Sincerely,

Maria C. Calamia
