ADDENDUM 1

RFP No. & Title: 07-015 Assessments & Treatment Services

The attention of bidders is called to the following changes, clarifications and/or additions/deletions to the original bid document and they shall be taken into account in preparing the Proposal and shall be part of the contract.

CLARIFICATION

1. In the RFP summary there is reference to, "These services will include residential, case management and medication management services." In the SERVICES REQUIRED section item G. states, "Provide individual, group and family therapy services in a residential setting." Are you only accepting proposals from organizations that provide residential services?
A. Yes. That is correct. The grant is written to specifically provide residential treatment. This is what we need at this time.
2. Does the proposed budget section required mostly consist of the rate for residential services we would charge?
A. Yes, we are interested in the rate for residential treatment.
3. Are the services being sought only residential, case management and medication management or does it include Level 1 outpatient and Level 2 intensive outpatient treatment care as well as residential care, case management and medication management? Please advise.
A. That is correct see answers to questions 1 and 2.

4. I was curious about the anticipated start date for the services to be provided in the RFP? Also, are there any disclosure forms? We see the requirements to disclose in Section C but no forms.
- A. We are hoping to get services started prior to January 30, 2015 or after Kane County Board approval. There is no form for the disclosure statement. Provider shall reference to Section C for instruction and submittal requirement.**

Please respond accordingly and confirm your receipt of Addendum 1. If you have any additional questions, please fax to (630) 208-5107 or via e-mail.

Sincerely,

Tim Keovongsak, Buyer II
