ADDENDUM 2

Request for Proposal: #07-018

Title: Workforce Innovation and Opportunity Act Youth Services

The attention of all offerors is called to the following question received via e-mail. The answer follows the question.

1. Question on appendix D-question #6, "If your organization currently receives funds from other sources for the current fiscal year, indicate the source of the funds, the period funded, the dollar amount, the funding purpose and any restrictions. If no additional fund sources are available, indicate N/A. If additional funds have been awarded, attach the requested information regarding the funding." Is this specific to the program I am requesting dollars to fund? Or are you asking for my other funding sources as a whole to fund my entire agency and other programs? ***We are requesting that respondents provide a list of revenue sources and amounts. This request is not specific to WIOA, but refers to the organization as a whole and other programs it might hold.***

Please acknowledge receipt of this addendum in the space provided on Page 30 of the Proposal document. Thank you for your interest in the Kane County procurement process.

Sincerely,

Maria C. Calamia
