Trade Act Program Application

These instructions provide guidance in the completion of a grant application for funding as part of an Initial Application or subsequent Modification requested under the Trade Adjustment Assistance Act (TAA), Trade and Globalization Adjustment Assistance Act (TGAAA), and Trade Adjustment Assistance Existence Act (TAAEA of 2011 Application program. Additionally, these forms allow for the request of funding for supportive services and case management as part of an Emergency Assistance for Case Management (1E-C) application.

When reviewing these instructions, please note that all "Action" requirements are highlighted in **BOLD and underlined** text to assist you in determining where data input or selection check-boxes are required to be made. Notes of clarifying information are bolded and found at the end of select instructions. Maneuvering through the forms can be done by hitting "Enter" after information has been entered, by using the "Tab" key to move to the next cell to the right, or by using the "Arrow Keys" to move up, down, left, or right to a desired cell. "Check-box" selections require the use of the mouse to select/deselect the proper response. Only those cells that require information are available to the user. Automatically calculated/transferred data cells are indicated in the instructions by "Automatic Entry" with a description of the data that will occupy this cell.

A cover letter is required when submitting an initial application or funding modification. Include the following information:

- 1) The amount of the funding requested and if the application is a modification, the amount of the increase/decrease;
- 2) A brief explanation of the need for funds;
- 3) A list of the events that are included in the application;
- 4) An attestation by the Chief Elected Official's (CEO) as indication they agree to the information included in the application; and
- 5) The CEO's (or designee's) signature approving the request.

All of the required forms for completion of an Initial Application or Modification Request are contained in this Microsoft Excel file. The requirement to complete an Event Plan for Services (EPS) form for each event has been eliminated. However, the information must still be entered in the DETS section of IWDS. Also eliminated is the Grant Summary form that tabulated all of the EPS forms together. Several new fields have been added so please pay close attention to these instructions to ensure the forms are completed properly.

Each submission, whether it be the Initial Application or subsequent Modification Request must be completed as a new Microsoft Excel file with its own unique file name (i.e., LWIA 1 – 2011 Initial Application, LWIA 1 – 2011 Modification 1, LWIA 1 – 2011 Modification 2, etc.).

MODIFICATIONS OR GRANT DATE EXTENSION REQUESTS ONLY

Information from the Grant Application Form auto-transfers into the Overview (#020) and Participant Detail (#023) Forms.
