Executive Summary

Kane County Juvenile Accountability Initiative Agreement #510040

Juvenile Accountability Block Grant (administered by Illinois Criminal Justice Information Authority)

Purpose of Grant: Funds two (2) juvenile diversion programs in Kane County; City of Aurora Peer Jury and the Kane County Bar Foundation Turning Point Diversion Program. The funds are used to maintain accountability-based programs designed to reduce recidivism among juveniles identified by local law enforcement personnel or community agencies. This is the 11th year that Kane County has administered this grant. These programs aid both the formal court system and local police departments by holding juveniles accountable for minor offenses, diverting them from the formal court process. 100% of the funding passes through Court Services to the two separate programs funded through this grant.

Grant Amount: \$29,637

Federal Amount: \$26,673 distributed to Kane County by the Illinois Criminal Justice Information Authority

Match Amount: \$2,964 10% required match amount paid out of Kane County Court Services Probation Fees, Resolution number 12-34

Total Cost to Kane County: There is NO impact on the General Fund. \$2,964 is paid from Court Services' Probation Fees. Employees with duties associated with this grant are;

- Deanna Cada, Deputy Director-Program Manager, Kane County Court Services, who does quarterly fiscal and program data reporting to the Illinois Criminal Justice Information Authority regarding the funded programs, and disburses the quarterly payments to the Programs.
- Ellen Wise, Administrative Assistant, Kane County Court Services, who deposits the grant funds and distributes the checks to the program agencies.

Signatures are required for Acceptance and Certification to verify that the proper Kane County officers and officials are aware of the grant, the purpose of the grant, and that the funds will be used for the purpose described in the grant agreement

Utilization of Funds: The two (2) local programs split the grant amount evenly and utilize the funds for:

- **City of Aurora Peer Jury**, juveniles charged with minor crimes are given consequences by a jury of their peers and the program requires active participation by the juveniles. The City of Aurora contributes financially and in-kind to this program. For more information reference Exhibit A Narrative, marked page of the grant agreement. The funds are utilized for salary payment of the Community Outreach Worker and meeting supplies; including office supplies and food for the youth on the Peer Jury
- **Turning Point** is a juvenile diversion program run by the Kane County Bar Foundation along with Williams Consulting, Inc. The program is a community based intervention for youth at risk of juvenile justice involvement and first time juvenile offenders. The goal is to provide youth with the tools to make better decisions, avoid future legal trouble and become productive citizens. For more information reference Exhibit A Narrative marked page of the grant agreement. The Bar Foundation contributes \$35,000 per year to this program. The funds are utilized to pay for the services of Williams Consulting, Inc. and various office supplies.

The officials from the programs sign an Independent Contractor agreement and are aware of the criteria of the grant.

Dear Ms. Cada,

Enclosed you will find interagency agreement #510040 between your office and the Authority for the Kane County Juvenile Accountability Program. Please review the enclosed documents and notify me if revisions are necessary. If all is in order please obtain the necessary signatures on the agreement and return the *entire packet* to my attention for further processing.

I have also enclosed the initial cash request form which is needed to begin the draw down of federal funds. Please fill out these forms and return them to me with the signed agreement. Once all signatures are received on the agreement, I will process the paperwork for you to receive your initial federal funds for this program.

Please note that this packet also includes two new forms regarding civil rights compliance. Please review, sign and forward these civil rights compliance certifications to the Authority. The authorized officials of the grant's Implementing Agency, and Program Agency, if applicable, must complete these forms. This grant cannot be submitted for final signature by the Authority's Executive Director until these forms have been completed.

As a point of clarification, these certifications do not represent new civil rights requirements that grantees must adhere to. These certifications reflect existing federal regulations that have always been included in the interagency agreements between your office and the Authority, but now a separate certification is required.

I also want to draw your attention to changes to our Interagency Agreement that were brought about by Public Act 96-0795 (SB 51) that became law on July 1, 2010 and makes modifications to the Grant Funds Recovery Act (30 ILCS 704/4). Modifications have been made to the Inspection and Audit, and Close-out requirement sections of the Interagency Agreement. In addition, a Use of Funds and a Certification sections have been added to the Interagency Agreement.

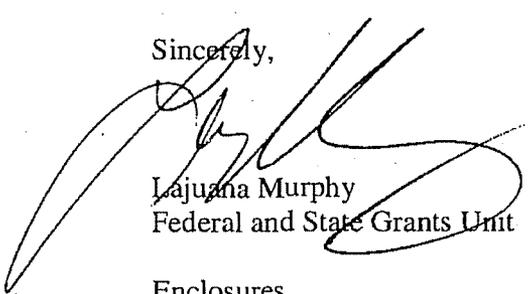

The Certification and Signature Section contains the statement "under oath" in the certification statement. This phrase must be included at the direction of the Office of the Illinois Comptroller and the Authority cannot make changes or edits to this statement. At this time notarization is not required.

I would be happy to answer any questions that you might have about these changes, but you

might also want to inform your legal counsel of the changes.

If you have any questions, please feel free to contact me at (312) 793-1303 or by email at Lajuana.Murphy@illinois.gov. I look forward to working with you on this program.

Sincerely,

Lajuana Murphy

NOW, THEREFORE, BE IT AGREED by and between the Authority and the Implementing Agency as follows:

SECTION 1. DEFINITIONS / DESCRIPTIONS

“Coordinated Enforcement Plan for Reducing Juvenile Crime”, hereinafter referred to as the “CEP”, and means a plan

developed by a State or local Juvenile Crime Enforcement Coalition that is based on an analysis of juvenile justice systems needs. The analysis determines the most effective uses of funds, within the seventeen JABG program purpose areas, to achieve the greatest impact on reducing juvenile delinquency, improving the juvenile justice system, and increasing accountability for juvenile offenders.

SECTION 2. PERIOD OF PERFORMANCE AND COSTS INCURRED

The period of performance of this agreement shall be from November 1, 2012 through October 31, 2013.

Costs incurred before the execution date of this agreement may be charged to this agreement if included in the Implementing Agency's CEP, included in Exhibit B, incurred during the period of performance, and the Implementing Agency performed in accordance with the terms and conditions of this agreement.

The Authority shall not be responsible for costs incurred before or after the period of performance of this agreement.

SECTION 3. COMMENCEMENT OF PERFORMANCE

If performance has not commenced within 60 days of the starting date of this agreement, the Implementing Agency agrees to report by letter to the Authority the steps taken to initiate the program, the reasons for the delay, and the expected starting date.

If the program is not operational within 90 days of the starting date of this agreement, the Implementing Agency agrees to submit a second letter to the Authority explaining the implementation delay. The Authority may at its discretion either cancel this agreement or extend the implementation date of the program past the 90-day period.

If the program is interrupted for more than 30 days after commencement, due to loss of staff or any other reason, the Implementing Agency agrees to notify the Authority in writing explaining the reasons for the interruption and the steps being taken to resume operation of the program. The Authority may, at its discretion, reduce the amount of federal funds awarded and/or terminate this agreement if the program is interrupted for more than 90 days.

If this agreement is terminated due to this section, the Authority will only pay for those services rendered as of the date service delivery ceased. Any funds advanced to the Implementing Agency and not expended as of that date shall be repaid to the Authority upon notification by the Authority.

SECTION 4. PAYMENT

The maximum amount of federal funds payable under this agreement is \$ 26,673.00 and is dependent on the expenditure of matching funds as described in this agreement, Exhibit B, and Implementing Agency's CEP, and the performance of the Implementing Agency in accordance with the terms and conditions of this agreement.

The Authority agrees to make payment to the Implementing Agency for the administration and implementation of the program described in the Implementing Agency's CEP and Exhibit A. Upon receipt of the fiscal and data reports described in this agreement, quarterly payments will be made to an Implementing Agency. No payment will be made until all outstanding reports are received by the Authority, including outstanding reports from previously funded Authority programs. Due to the unique requirements of the program being funded, the first payment to the Implementing Agency may be in advance of

performance in an amount, up to the full amount of this Agreement, determined by the Executive Director of the Authority. No payment will be made to an Implementing Agency unless and until the Implementing Agency is in full compliance with applicable State and federal laws and the terms and conditions of this agreement.

The Implementing Agency must provide for the deposit of program funds, including federal and matching funds, into a bank account in the name of the Implementing Agency, either depositing such funds into an account separate from any of its other bank accounts or treating such funds as a separate line item per its budget and audited financial statements. Federal funds shall be immediately deposited into such bank account.

SECTION 5. MATCH

Federal funds from the JABG Program may be used to pay up to 90 percent of the costs described in Implementing Agency's CEP and Exhibit A. If the Implementing Agency will be using funds to construct a permanent juvenile corrections facility, the Implementing Agency must provide at least 50 percent of the total cost of the project. The Implementing Agency must provide the remaining nonfederal share in the form of cash match. Matching funds must be in addition to funds that would otherwise be made available for the program or project. Failure of the Implementing Agency to provide a cash match in the amount of at least \$2,964.00 shall result in a proportionate reduction in the amount of federal funds awarded under this agreement and the return of funds already awarded.

The Implementing Agency shall maintain records clearly showing the source, the amount and the timing of all matching contributions.

SECTION 6. EXPENDITURES – FEDERAL FUNDS AND MATCH

Only costs allowable under State and federal guidelines may be paid for with federal and matching funds, in accordance with the Program Description and Budget attached to this agreement and in Implementing Agency's CEP. Matching funds need not be applied at the exact time or in proportion to the obligation of federal funds, but must be provided and obligated before the end date of this agreement.

The Implementing Agency must receive prior written approval by the Executive Director of the Authority for any expenditure of federal and matching funds that deviate from the budget items described in Implementing Agency's CEP and Exhibit B.

SECTION 7. NON-SUPPLANTATION

JABG program funds (Federal and match) cannot be used to supplant/replace State or local funds. The JABG program funds must increase the amount that would otherwise be available for juvenile accountability purposes from State and local sources.

SECTION 8. COORDINATED ENFORCEMENT PLAN FOR REDUCING JUVENILE CRIME

The Implementing Agency certifies that it has established a coordinated enforcement plan for reducing juvenile crime developed by a Juvenile Crime Enforcement Coalition. Unless otherwise approved by the Authority, the Juvenile Crime Enforcement Coalition must consist of individuals representing (1) police, (2) sheriff, (3) prosecutor, (4) juvenile court, (5) State or local probation services, (6) schools, (7) social service agency, (8) nonprofit, nongovernmental victim advocacy organization, and (9) nonprofit, religious, or community group. The Implementing Agency may add, or pursuant to OJJDP direction the Authority may require, additional representation.

SECTION 9. PROGRAM DESCRIPTION, BUDGET EXHIBITS AND AMENDMENTS

The Implementing Agency agrees to undertake and perform in a satisfactory manner in accordance with the terms and conditions of this agreement, the program described in the attached and incorporated Exhibit A, the Budget attached and incorporated as Exhibit B, and the program described in the Implementing Agency's CEP, which is incorporated into this Agreement.

The documents appended are made a part of this agreement, as exhibits and amendments as the case may be. Any amendment to this agreement must be signed by the parties to be effective. The Implementing Agency shall perform the services subject to this agreement in accordance with all terms, conditions, and provisions set forth in such exhibits and amendments.

SECTION 10. OBLIGATIONAL LIMITATION

Payment under this agreement is subject to passage of a suitable and sufficient appropriation by the Illinois General Assembly. Obligations of the State of Illinois will cease immediately without penalty of further payment being required in any fiscal year should the actions of the General Assembly or any applicable funding source result in the failure to appropriate or otherwise make available sufficient funds for this agreement.

SECTION 11. PROGRAM INCOME

All income, including income resulting from interest, generated as a direct result of the program described in Implementing Agency's CEP and Exhibit A shall be deemed program income. Program income must be used for the purposes and under the conditions applicable to the use of grant funds. The Federal proportion of program income must be accounted for up to the same ratio of Federal participation as funded in the program. The Implementing Agency may retain program income for any purpose that furthers the objectives of the JABG Program. Implementing Agency shall report and account for such program income as required by the Authority.

SECTION 12. FINANCIAL CAPABILITY

The Authority may, in its discretion, require the Implementing Agency to provide documentation on its financial capability. This may include, but is not limited to, copies of the Implementing Agency's annual report, credit reports, delinquency status of Federal debt, and assurances on the adequacy of the Implementing Agency's accounting system and operations. The Implementing Agency must comply with federal and state financial management standards.

SECTION 13. REPORTING AND EVALUATION REQUIREMENTS

The Implementing Agency shall submit progress reports covering every quarter, with quarters beginning at the start of the calendar year, by the 15th day of each month following the quarter. The Implementing Agency shall also submit fiscal reports on those dates detailing financial expenditures for the previous period. The Implementing Agency shall submit annual reports that assess the effectiveness of the program for the period of April 1 to March 31. The Implementing Agency shall also file final progress and financial status reports, the content and form of which will be determined by the Executive Director of the Authority.

The Implementing Agency agrees to report any additional information required by the Executive Director of the Authority.

SECTION 14. MAINTENANCE OF RECORDS

The Implementing Agency agrees to retain financial and program records for a minimum of 3 years after the expiration date of this agreement, or 3 years after closure of Implementing Agency's most recent audit report, whichever is later. The Implementing Agency shall maintain, for this 3-year period, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with this agreement; the agreement and all books, records, and supporting documents related to the agreement shall be available for review and audit by the Auditor General, federal awarding agency personnel, the Authority, or any person duly authorized by the Authority; and the Implementing Agency agrees to cooperate fully with any audit conducted by the Auditor General, the federal awarding agency, the Authority or any person duly authorized by the Authority, and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this Section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the agreement for which adequate books, records, and supporting documentation are not available to support their purported disbursement.

Records shall be maintained beyond the 3-year period if an audit or review is in progress or the findings of a completed audit or review have not been resolved satisfactorily. If either of these two preceding conditions occurs, then records shall be retained until the audit or review is completed or matters at issue are resolved satisfactorily.

SECTION 15. CLOSE-OUT REQUIREMENTS

Within 45 days after the expiration date of this agreement or any approved extension thereof, the following documents must be submitted by the Implementing Agency to the Authority: (a) final progress and financial status reports; (b) property inventory report; and (c) any refund of unexpended funds and (d) other documents required by the Authority.

SECTION 16. INSPECTION AND AUDIT

If required by revised Office of Management and Budget Circular A-133 "Audits of States, Local Governments, and Non-Profit Organizations," the Implementing Agency agrees to provide for an independent audit of its activities. Audits shall be made annually, unless A-133 allows the Implementing Agency to undergo biennial audits. Audits shall be made in accordance with the Generally Accepted Government Auditing Standards (GAGAS), the General Accounting Standards for Audit of Governmental Organizations, Programs, Activities and Functions, the Guidelines for Financial and Compliance Audits of Federally Assisted Programs, any compliance supplements approved by the Office of Management and Budget, and generally accepted auditing standards established by the American Institute of Certified Public Accountants. Copies of all audits must be submitted to the Authority no later than 9 months after the close of the Implementing Agency's audit period. Further, Implementing Agency understands and agrees that funds may be withheld, or other related requirements may be imposed, if outstanding audit issues (if any) from OMB Circular A-133 audits (and any other audits of Office of Justice Programs (OJP) grant funds) are not satisfactorily and promptly addressed, as further described in the current edition of the OJP Financial Guide, Chapter 19.

Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to the Authority and appropriate federal, State, and local law enforcement officials.

The Implementing Agency agrees to develop and maintain a record-keeping system to document all agreement related

activities and expenditures. These records will act as the original source material for compilation of the data required in Section 13 and all other program activity.

The Authority, the Illinois Auditor General and the Illinois Attorney General shall have access for purposes of monitoring, audit and examination to all relevant books, documents, papers, and records of the Implementing Agency, and to relevant books, documents, papers and records of subcontractors.

SECTION 17. PROCUREMENT REQUIREMENTS, REQUESTS FOR PROPOSALS

All procurement transactions shall be conducted by the Implementing Agency in a manner to provide, to the maximum extent practical, open and free competition. The Implementing Agency must use procurement procedures that minimally adhere to all applicable laws, executive orders and federal guidelines. The Implementing Agency shall also adhere, and assure that its contractors and subcontractors adhere, to all applicable certification and disclosure requirements of the Illinois Procurement Code.

The Implementing Agency shall follow its established procurement process if it minimally adheres to applicable federal guidelines, and the following requirements. If the Implementing Agency's established procurement process is less competitive than the following requirements, the following more competitive requirements must be adhered to in lieu of the Implementing Agency's procurement process.

- For procurements of \$100,000 or less, the Implementing Agency must solicit quotes or bids from at least three sources.
- For procurements over \$100,000, the Implementing Agency must formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process.

All procurements over \$100,000, that involve the use of federal or matching funds, must be submitted by the Implementing Agency to the Authority for review and written approval prior to their issuance. In addition, the Authority reserves the right to request that any RFP or IFB, regardless of its dollar amount, be submitted to the Authority for review and approval prior to its issuance. In addition, the Implementing Agency shall notify and submit for approval to the Authority any other relevant procurement documents including but not limited to Request For Information (RFI).

As required by the Authority, the Implementing Agency shall submit documentation regarding its procurement procedures and grant-funded purchases for Authority review and approval, to assure adherence to applicable federal guidelines.

SECTION 18. SUBCONTRACTING

The use of subcontractors for any work or professional services that involves the use of federal or matching funds is subject to Authority approval. Any work or professional services subcontracted for shall be specified by written contract and subject to all terms and conditions contained in this agreement. If the use of subcontractors is approved by the Authority, the terms and conditions of this agreement shall apply to and bind the party or parties to whom such work is subcontracted as fully and completely as the Implementing Agency is bound and obligated. The Implementing Agency shall make reasonable efforts to assure that all subcontractors adhere to the terms and conditions of this agreement. The Authority shall not be responsible for the performance, acts or omissions of any subcontractor.

Subcontracts over \$100,000 that are funded with federal or matching funds must be submitted by the Implementing Agency

for Authority review and approval prior to their effective dates and execution by the Implementing Agency. In addition, the Authority reserves the right to require that any subcontract funded with federal or matching funds, regardless of its dollar amount, be submitted to the Authority for review and approval prior to its effective date and execution by the Implementing Agency.

As required by the Authority, the Implementing Agency shall submit documentation regarding contracts to be funded with federal or matching funds for Authority review and approval, to assure adherence to applicable federal guidelines.

Approval of the use of subcontractors by the Authority does not relieve the Implementing Agency of its obligation to assure performance under this agreement.

SECTION 19. ASSIGNMENT

The Implementing Agency shall make no assignment or transfer of this agreement or of any of the monies due hereunder without prior written approval of the Authority. In the event that the Authority approves such an assignment or transfer, the terms and conditions of this agreement shall apply to and bind the party or parties to whom such work is assigned or transferred as fully and completely as the Implementing Agency is bound and obligated.

SECTION 20. INDEPENDENT CONTRACTOR

The Implementing Agency, in the performance of this agreement, shall act as an independent contractor and not as an agent or employee of the Authority. The Authority shall not be responsible for the performance, acts or omissions of the Implementing Agency. The Implementing Agency shall be liable, and agrees to be liable for, and shall indemnify, defend and hold the Authority harmless for all claims, suits, judgments and damages arising from the performance of this agreement, to the extent permitted by law.

SECTION 21. MANAGEMENT AND DISPOSITION OF EQUIPMENT AND COMMODITIES

Equipment and commodities acquired by the Implementing Agency with agreement funds shall be used for purposes of the program described in Implementing Agency's CEP and Exhibit A only. The Implementing Agency shall retain the equipment and commodities acquired with agreement funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by federal funds. If the equipment or commodities originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced or there is no longer a need for the equipment or commodities, the Implementing Agency shall request instructions from the Authority.

The Authority may deny equipment and commodities costs or require that the Implementing Agency relinquish already purchased equipment and commodities to the Authority, if the Implementing Agency fails to employ an adequate property management system, governing the use, protection and management of such property. The Implementing Agency is responsible for replacing or repairing equipment and commodities that are willfully or negligently lost, stolen, damaged or destroyed. The Implementing Agency shall provide equivalent insurance coverage for equipment and commodities acquired with agreement funds as provided for other equipment and commodities owned by the recipient. Any loss, damage or theft of equipment and commodities shall be investigated and fully documented, and immediately reported to the Authority.

If, for an item of equipment described in Implementing Agency's CEP and Exhibit A to be funded with either federal or matching funds, the Implementing Agency does not have a purchase order dated within 90 days after the start date of the
