General Assistance Township Funds

All Illinois townships are mandated statutorily to levy taxes to administer and to offer general assistance for destitute township residents. General Assistance (GA) is a locally administered welfare program which provides monthly financial assistance to persons who do not have adequate income or resources to provide for their own basic needs. To qualify, the individual must meet certain financial and residential criteria, and be ineligible for any other state or federal assistance programs. For more information about General Assistance, please visit <https://www.illinoislegalaid.org/legal-information/understanding-general-assistance> .
