

Population numbers are based on the reported values for the precincts by the U. S. Census Bureau. The U. S. Census Bureau did not include two recent precincts in their analysis. Populations for R008 and B006 are included in precincts R002 and B005 respectively. The County Clerk's Elections office has not verified the content or accuracy of this map and is not liable for any errors or omissions.

This map does not represent a survey. No warranty is assumed for the data, delineation, layout, other, or implied by Kane County or its employees. This map is compiled from official records, including plat, surveys, recorded deeds, and contracts, and only contains information required for local government purposes. See the recorded documents for more detailed legal information.
