

Mill Creek SSA Refuse and Recycling Contract Renewal Pricing

The Kane County Department of Environmental and Water Resources negotiated a five-year renewal of the contract with LRS for refuse, recycling and yard waste/organics hauling service. The contract amendment was approved by the Kane County Board on August 11, 2026. New pricing takes effect for residents on November 1, 2026.

The following table describes pricing under the contract renewal terms over the next five years:

Contract Year	Stickers (each)	2-Cart*	3-Cart**
11/1/26 – 10/31/27	\$4.35	\$22.75	\$24.75
11/1/27 – 10/31/28	\$4.55	\$23.66	\$25.74
11/1/28 – 10/31/29	\$4.76	\$24.61	\$26.77
11/1/29 – 10/31/30	\$4.97	\$25.59	\$27.84
11/1/30 – 10/31/31	\$5.19	\$26.61	\$28.95

* Under the 2-cart program, residents pay a flat rate for weekly refuse and recycling + one bulk item per week. Stickers are required for yard waste and additional bulk items.

**Under the 3-cart program, residents pay a flat rate for weekly refuse, recycling, and yard waste/organics (in season) + one bulk item per week. Stickers are required for additional bulk items.

County staff are aware that the price increase for stickers is proportionally higher than those for cart programs under the renewal terms. Sticker programs are increasingly unpopular with waste hauling companies, with many refusing to offer them. The County was able to work with LRS to continue the flexible sticker program, but at an increased rate. The new sticker pricing is competitive with other municipalities in Kane County that still have sticker programs (e.g., City of Geneva, City of St. Charles).
