

September 20, 2018

Dear Pinehurst Residents,

Athletes By Design (ABD) Cycle Club is proud to announce the 1st Mill Creek Bicycle Race. The race will be on Saturday, September 29th, in the Mill Creek Village Center. The ABD Cycle Club has grown to be one of the largest clubs in the Midwest. Originally focusing on the development of young talented junior riders, ABD has now grown to include riders of all ages at all abilities and promotes the growth of cycling through numerous events.

Founded in 1992, Athletes By Design Cycle Club has developed into a nationally recognized club that supports a competitive NRC Men's Elite Cycling Team, creates a productive environment for the development of young (junior) racers, boasts a large contingent of master's level cyclists and provides an environment for all cyclists (both recreational and competitive) to enjoy their sport and be better riders. Our not-for-profit Cycling Club raises money to help support young racers. We also support Joe Berenyi, a Para-Olympic racer from Oswego. We were able to help with expenses to send he and his family to England and then again to Rio.

The 1st Mill Creek Bicycle Race course will take place in the Village Center along Herrington Blvd., Ford Dr., Baker Dr. and N. Mill Creek Dr. (around the circle). The Start/Finish line will be on Herrington Boulevard across from the Mill Creek Market (map attached). Parking will NOT be allowed along the race course starting at 6:00 AM on Saturday, September 29th until the end of the last race, which will be approximately 1:00 PM. Course Marshals will be on hand at each intersection to assist residents during the races. We will begin setting-up the race course at 7:00 AM, with the first race schedule to begin at 9:00 AM (see schedule of races).

If you are unable to utilize your garage on the morning of the race, the Mill Creek Golf Club will allow you to park in their parking lot. If you do so, please use the east-side of the lot, away from the club house. Also, we have spoken with the U.S. Postal carrier and he has indicated all residents will receive their mail on the day of the race.

If you have any questions or concerns regarding the race, please do not hesitate to contact: Jim Cannella (630-918-0708) or Mary Lee Geraghty (630-890-4768). Thank you in advance for your cooperation in helping make this event a success for all.

Athletes By Design Cycle Club
