Embark on an Educational Exploration at Dragonfly Migration

GENEVA, IL — Did you know that, like Monarch butterflies, some dragonflies migrate? Join us Friday, May 17, from 1-2 p.m. at Pingree Grove Forest Preserve to learn about these unique creatures.

We'll cover how and why various members of the Family *Odonata* travel different distances as the seasons change. We'll also walk a popular dragonfly habitat in search of early dragonfly arrivals in our region.

From green darners to black saddlebags, there's a whole world of dragonfly species out there waiting to be explored. You're sure to leave awe-inspired of these winged wonders.

This free program is for all ages. Advance registration is required. To register, please visit www.kaneforest.com/register, call 630-444-3190 or email programs@kaneforest.com.

Pingree Grove Forest Preserve is located at 14N187 Rte. 20, Pingree Grove. To view a full roster of Forest Preserve District of Kane County programs, visit www.kaneforest.com and find us on social media by searching @forestpreserve.
