Join us for a Volunteer Clean-up at the Fabyan Windmill

GENEVA, IL — Join us for our annual spring clean-up at the historic Fabyan Windmill. We'll clean the structure from top to bottom in preparation for its 2024 public opening on Sunday, May 19.

Help dust away cobwebs, sweep up bugs and debris, clean windows, and rid the ground of weeds as we get the windmill ready for its summer debut. Cleaning will begin at 10 a.m. and continue until noon, at which point participants will be treated to a pizza lunch.

This is also an amazing opportunity for interested volunteers to meet current millers and docents, and see what volunteer service at the windmill looks like. Once cleaning is complete, new and interested volunteers can partake in an open house tour of the windmill.

Come prepared in clothes you do not mind getting dirty in, and please bring a pair of work gloves. The District will provide the cleaning supplies and lunch. Registration is required. To register, email cleaverobb@kaneforest.com.

The Fabyan Windmill is located within Fabyan Forest Preserve at 1925 Batavia Ave., in Geneva. To view a full roster of Forest Preserve District of Kane County volunteer programs, visit www.kaneforest.com/volunteer and find us on Facebook at www.facebook.com/FPDvolunteers.
