‘Speeding Catches Up With You’

Kane County, IL—The Kane County Sheriff's Office announced it is partnering with the Illinois Department of Transportation (IDOT), the Illinois State Police, and more than 200 local law enforcement agencies to step up traffic safety efforts across the state to reduce speeding. Throughout the month of July, motorists can expect increased patrols looking for speeding and other traffic violations.

Speeding creates unnecessary risks for all motorists, reducing the driver's ability to steer safely around other vehicles, hazardous objects, or unexpected curves. During the speed limit enforcement campaign, officers will intensify enforcement of posted speed limits. Offenders will be stopped and ticketed, especially where many speed-related crashes occur. The goal is to save lives.

Drivers who are spotted speeding at any time will receive a ticket from the Kane County Sheriff's Office. From July 8 to 31, stepped-up patrols will be seen throughout Kane County and the State of Illinois.

The speed enforcement effort is part of the "Speeding Catches Up With You" campaign, which is made possible by federal highway safety funds administered by IDOT. It also supports IDOT's broader "It's Not a Game" media campaign.
