Protect Your Local Watershed at “It’s Our Fox River Day”

GENEVA, IL – Be part of the solution to the Fox River’s pollution! Join the Forest Preserve District of Kane County for “It’s Our Fox River Day” on Saturday, Sept. 20, from 9:00 a.m. – noon at Glenwood Park Forest Preserve in Batavia.

This watershed-wide event celebrates, protects and restores the health of the Fox River. Participants can actively contribute in a river clean-up, and work together to beautify the river, its banks and nearby trails. Be a part of something big as we come together and make a positive impact on the health and beauty of the Fox River.

This free, family-friendly event is open to all ages. Children under 16 must be accompanied by an adult. The District will provide water, snacks, disposable gloves, and trash bags. Please wear closed-toed shoes and clothes that can get wet and muddy.

Advance registration is not required for this free event. Glenwood Park Forest Preserve is located at 1644 S. River St., Batavia.

For more information, call 630-232-5980, or email forestpreserve@kaneforest.com. To learn about more exciting ways to get involved, visit www.kaneforest.com or find us on social media by searching @forestpreserve.
