### PRESS RELEASE

#### Damisch Road Closure

Damisch Road will be closed between Harper Drive and Atchison Drive starting the week of August 2, 2010 to allow crews to remove and replace the existing bridge over Tyler Creek. The closure is anticipated to last until late October, 2010. A posted detour route will divert traffic around the construction area using IL Route 72, Big Timber Road, Randall Road, Highland Avenue and US Route 20.

The County appreciates your patience and support during construction and asks motorists to follow the posted detour and to allow for increased travel times.

Questions or concerns may be directed to John Guddendorf at (630) 816-9671.
