

Residential Swimming Pool, Spa and Hot Tubs Affidavit

Owner: _____

Pool Address : _____

City/ Zip: _____

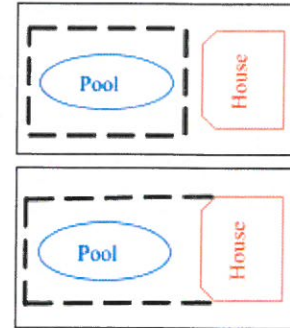

Please complete the following information:

Type of pool: (pool plans and information are not required)

_____ In-ground pool, Spas and Hot Tubs

_____ Above-ground pool, On-ground pools, Spas and Hot Tubs

_____ Above-ground pool, Spas and Hot Tubs with deck

Type of Barrier: (must be drawn and labeled on site plan)

_____ Top of the pool (and deck if applicable) will be 48" above grade. All units will meet all of the applicable barrier requirements per Section 305- Barrier Requirements.

_____ The pool will be completely surrounded by a fence or barrier per Section 305.2 - Barrier Requirements. **If pool has lock able safety cover complying with ASTM F1346 a fence or barrier is not required per Section 305.1**

_____ The pool will be surrounded by a fence or barrier AND the wall of the dwelling will serve as part of the barrier. Both will comply with Section 35.2 and 305.4 - Barrier Requirements.

_____ The pool will be completely indoors and all walls surrounding the pool shall comply with Section 305.4 and provide lockable safety cover per Section 305.4 (5)

I hereby, certify that the design and installation of the proposed pool will comply with the **2021 International Swimming pool and Spa Code (ISPSC)**. Swimming pool permits are valid for 6 months; a final inspection must be completed within this time frame and before the pool is closed for the season.
