

KANE COUNTY 2022 VIRTUAL FLOODPLAIN AWARENESS OPEN HOUSE

Brought to you by Kane County Department of Environmental and Water Resources and The Conservation Foundation

**Calling all Residents,
Floodplain Professionals,
Realtors, and more!**

Flooding is the most common, most expensive natural disaster in the United States. Join us to learn more about what you can do to be more prepared! Check out the schedule and RSVP at our website:

www.countyofkane.org/FDER/Pages/environmentalResources/waterResources/floodplain.aspx

Workshops will cover:

- Intro to Floodplains
- Active and Passive Flood Protection
- Wetlands and Detention Basins
- FEMA & NFIP
- Conservation at Home
