Subject: EX: Opposition to Zoning Petition No 4694 Northern Illinois Recovery LLC

I am writing to express opposition to the petition No 4694 filed by Northern Illinois Recovery, LLC proposing to convert 35W543 Miller Road to a Recovery Center. The application materials present conflicting information and unfounded findings of compatibility and property value impacts. Additionally, the representations relay on the facility maintaining certain operation levels and it is unclear how these will be addressed if not sustained.The property is on the far edge of the county and is not regularly served by county police and/or property maintenance personnel. This use should be located in a commercial area like the two other facilities operated by Northern Illinois Recovery.

Thank you,

David Tymoszenko
