I understand that this record has already been released to us, but we realized we need certified copies of this record. Is there anyway to receive certified copies off of this request, or would it be best to resubmit a request asking for certified copies?
Thank you.

**REQUEST FOR PUBLIC RECORDS
OFFICIAL REQUEST FORM**

INSTRUCTIONS AND INFORMATION

- a. In Section 1, describe the public records that you wish to inspect or to have copied or certified. Please be precise about what records you seek. You may use a separate sheet if necessary.

Indicate whether you request only to inspect the public records or whether you also request to have the public records copied and certified by checking the appropriate spaces.

- b. By submitting this Request Form, you are agreeing to pay to the City, in advance of receiving copies of any public records, the copying fees set forth in Section 2.

The fees set forth in Section 2 may be waived or reduced by the Freedom of Information Officer on determination and proof that the purpose of your request is primarily to benefit the general public and that you will receive no significant personal or commercial benefit from your request. If you wish to be considered for a fee waiver or reduction, you must complete the statement set forth in Subsection 2.B.

- c. In Section 3, indicate the purposes for which you are requesting the public records identified in Section 1. You must provide the information in Section 3.

- e. You must provide the information requested in Section 5.
- f. You must sign the statement set forth in Section 6.

The City will disclose the public records requested on this Request Form within 21 Business Days after the receipt of this Request Form for all requests made for commercial purposes, and within five Business Days for all other requests, unless the applicable response period is extended as provided by law or the request is denied. All extensions and denials will be in writing and will state the reasons therefore. The Requestor may seek review of a denial by the Public Access Counselor of the Office of the Illinois Attorney General. Judicial review is available under Section 11 of the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* For more detailed information, please consult the City of Rockford Policy for Implementation of the Illinois Freedom of Information Act, which is available from the Freedom of Information Liaison Officer.
