Re: Glenwood School – 2nd Driveway

Dear Mark,

Regarding your conversation with Captain Sutherland on December 22, 2015, referencing the second driveway, at the Glenwood School site, we have discussed the issue using the old driveway to McDonald Road. We both agree that since that road was never used by the school, we do not feel it would be required by the Fire District. We have reviewed the site and we find that the entrance off of Silver Glen Road does not hinder our operation at this time. If you have any other questions, or concerns, please contact Captain Sutherland.

Sincerely,

Carl DeLeo
