

Dear Mark,

My name is Vince Davila and I recently purchased my property 3 years ago long before Petition 4535 was originated.

I've put thousands of dollars of renovation into my house and I can't believe the county would position a kennel next door. Absurd!

I submit this letter to express my **STRONG OBJECTION** to petition 4535.

Please post this to the county website ASAP

Sincerely

Vince Davila And Family
