Agenda

9:00 AM

Kane County Government Center, 719 S. Batavia Ave., Bldg. A, Geneva, IL 60134

Zoom and Live Stream-Capable

In accordance with P.A. 101-0640, which took effect on June 12, 2020, and allows a public body to hold an open or closed meeting by audio or video conference without the physical presence of a quorum of the members during a public health emergency if all or part of the County is covered by a disaster area (see 5 ILCS 120/7(e)), Kane County Board Chair Corinne Pierog has determined that requiring in-person meetings of the County Board and its committees is not practical or prudent due to the current transmission level of COVID-19 and the increasing prevalence of the "Delta variant". As such, the Chair is encouraging social distancing by allowing remote attendance to the meetings of the County Board and its committees.

Instructions for viewing the Live Stream are on the County's webpage. The Zoom meeting will be made available for staff, elected officials and department heads only, and live streaming will be available for the public. Chair Pierog is requesting that only staff and elected officials vital to the operation of the meeting be present in person, as capacity in the Board Room will be limited to accommodate social distancing. In compliance with Executive Order 2021-20, face coverings will be required to cover the nose and mouth of all individuals two and over who are able to medically tolerate a face covering. For your safety and others, please consider attending the meeting remotely. If anyone from the public would like to offer a comment to be considered at the Public Comment portion of the meeting, there will be an allotted time on the agenda for public comment; please register to speak by 8:30 a.m. on the day of the meeting. Registration may be completed electronically on the County's website. County Board rules of order will still apply to the meeting. Written or emailed comments received by 4:00 p.m. on the day prior to the meeting will be made part of the record. We will make an appropriate effort to acknowledge public input within our normal limitations and add them to the record.

PREAMBLE

This Agreement is entered into by Kane County and the Clerk of Kane County, hereinafter referred to as the "Employer," and the American Federation of State, County and Municipal Deputy Clerks, Council 31, AFL-CIO on Behalf of and with Local 3966, hereinafter referred to as the "Union."

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Union representing the Deputy Clerks in the bargaining unit and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Union to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to some of the Deputy Clerks' working conditions.

To the extent that provisions of the Collective Bargaining Agreement are in conflict with provisions of the Personnel Policy Handbook of the Clerk of Kane County and the Kane County Code, the provisions of the Collective Bargaining Agreement shall apply. The personnel rules are incorporated herein by reference, and as amended from time to time. Those items of the personnel rules which are mandatory subjects of bargaining must be negotiated with the Union.

In consideration of mutual promises, covenants and Agreement contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenant and agree as follows:

ARTICLE 1
RECOGNITION

Section 1. Unit Description

The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on matters relating to wages, hours, working conditions and other terms and conditions of employment of the following unit:

All full-time and regular part-time Deputy Clerks employed by the Kane County Clerk but excluding the Department Directors, Secretary to the County Clerk position (confidential secretary), the Election Department Supervisor position (supervisory), Vital Records Supervisor position (supervisory), the Accountant (confidential), and other managerial and confidential employees as defined by the Act, and all other persons excluded from coverage under the Act. Such recognition was initially pursuant to S-RCA-93-117.

Where the Employer finds it necessary to create a new job classification, the work of which falls within the scope of the bargaining unit, the Employer and Union agree to jointly petition the State Labor Board to seek the necessary unit clarification.

Section 2. New Classifications

If a new position classification is created by the Employer, the Employer shall set the proper pay grade for the classification.

The Employer shall determine the proposed salary grade in relationship to:

- (A) The job content and responsibilities attached thereto in comparison with the job content and responsibilities of other position classifications in the Employer's work force;
- (B) Like positions with similar job content and responsibilities within the Kane County Government System, if available, otherwise to the Kane County Labor Market generally;
- (C) Significant differences in working conditions to comparable position classifications.

If the Union does not agree with the Employer's determination of the proposed salary grade established under this Section, then the Union shall within ten (10) days after notice of the Employer's determination, request a meeting with the Employer to discuss the Employer's action. The Employer shall thereafter meet with the Union and render a decision within twenty (20) calendar days of such meeting. If the Union still disagrees with the decision of the Employer, the Union may submit the matter to Step 4 of the Grievance Procedure within ten (10) days from the receipt of the Employer's final decision.

Section 3. Non-bargaining Unit Personnel

Non-bargaining Unit Personnel may continue to perform bargaining unit work which is incidental to their jobs. They may also perform bargaining unit work in emergency situations and where such work is necessary to train a bargaining unit Deputy Clerk. Such work by said personnel shall not cause any layoffs of the bargaining unit Deputy Clerks. Nothing in this paragraph is intended to alter or reduce the Employer's Management Rights.

Section 4. Abolition, Merger or Change of Job Classification

If the Employer abolishes, merges or changes existing classifications, the Employer shall negotiate with the Union over the impact of such action. The negotiations over such action shall include good faith impact bargaining, as required under the Illinois Public Labor Relations Act. The Parties agree that a change in job title in the bargaining unit shall not remove the job position from the bargaining unit as long as the type of work performed by the position remains essentially the same.

**ARTICLE 2
PROBATIONARY DEPUTY CLERKS**

Deputy Clerks shall be "probationary Deputy Clerks" for their first six (6) months of employment with the County Clerk's Office. Probationary Deputy Clerks shall be evaluated by their Department Heads approximately midway and near the end of their probationary period. The discipline, layoff, transfer or termination of a probationary Deputy Clerk shall not be subject to the grievance and arbitration procedures and shall not be a violation of this Agreement.

**ARTICLE 3
SAVINGS CLAUSE**

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid or unenforceable.

**ARTICLE 4
UNION SECURITY**

Section 1. Deductions

The Employer agrees to deduct from the pay of those Deputy Clerks who individually and voluntarily authorize ~~request~~ any or all of the following:

- (A) Union membership dues, assessments, or fees;

- (B) Union sponsored credit union contribution or other union sponsored programs;
- (C) P.E.O.P.L.E. contributions.

~~Requests submitted by the Union for any of the above shall be made in accordance with the terms of the affected employee's written authorization form and shall be consistent with all applicable laws and this Article 4. on a form agreed to by the parties and shall be made within the provisions of applicable State Statutes. The Union shall advise the Employer in writing of the deduction rate and any increase in dues or other approved deductions in writing at least thirty (30) calendar days prior to its effective date. Such lawful and authorized deductions shall be remitted to AFSCME each payday by regular U.S. Mail sent to: AFSCME Council 31 at P.O. Box 2328, Springfield, IL 6205 2328.~~

~~There is nothing in this Section that is to be construed as an impediment to an employee's right to resign from union membership at any time. The Parties agree that any written authorization that is irrevocable for one year (or longer) must contain at least an annual ten (10) day period of time during which the employee may revoke the authorization.~~

~~Dues deduction authorization forms shall remain in effect until: (a) the Employer receives notice that the employee has revoked their authorization in writing in accordance with the terms of the authorization form; or (b) the affected employee is no longer employed by the Employer in a bargaining unit position represented by AFSCME, provided that if the affected employee is, within a period of one year, employed by the same Employer in a position represented by AFSCME, the right to dues deduction shall be automatically reinstated. Should the affected employee who signed a dues deduction authorization card either be removed from the Employer's payroll or otherwise placed on any type of involuntary or voluntary leave of absence, whether paid or unpaid, the employee's dues deduction shall be continued upon the employee's return to the payroll in a bargaining unit position represented by AFSCME or restoration to active duty from such a leave of absence. Upon receipt by AFSCME of an appropriate written authorization from an employee, written notice of authorization shall be provided to the Employer, and any authorized deductions shall be made in accordance with the law. AFSCME shall indemnify the Employer for any damages and reasonable costs incurred for any claims made by employees for deductions made in good faith reliance on AFSCME's notification pursuant to this Article 4.~~

~~Upon receipt of an appropriate written authorization from an Deputy Clerk, such authorized deductions shall be made in accordance with law and shall be remitted each pay day to AFSCME Council 31 at P.O. Box 2328, Springfield, IL 62705-2328, along with a list of bargaining unit Deputy Clerks' and union members' names, addresses and social security numbers. The Union shall advise the Employer of the deduction rate and any~~

Section 2. Notice and Appeal

The Union agrees to provide notices and appeal procedures to Deputy Clerks in accordance with applicable law.

Section 3. Indemnification

The Union shall indemnify, defend, and hold the Employer harmless against any claim, demand, suit or liability arising from any action taken by the Employer in complying with this Article.

**ARTICLE 5
INDEMNIFICATION**

The Employer shall defend and indemnify the Deputy Clerks according to terms of the applicable statutes and laws of the State of Illinois.

**ARTICLE 6
NON-DISCRIMINATION**

Section 1. Prohibition Against Discrimination

Both the Employer and the Union agree not to illegally discriminate against any Deputy Clerk on the basis of race, sex, creed, religion, color, marital or parental status, age, national origin, disability or political affiliation, provided however that all personnel of the Office must at all times support and defend the Constitution and laws of the United States, State of Illinois and laws promulgated there from.

Section 2. Union Membership or Activity

Neither the Employer nor the Union shall interfere with the right of Deputy Clerks covered by this Agreement to become or not become members of the Union, and there shall be no discrimination against any such Deputy Clerks because of lawful Union membership or non-membership activity or status.

Section 3. Equal Employment/Affirmative Action

The parties recognize the Employer's obligation to comply with Federal and State equal employment and sex discrimination laws applicable to the Employer.

ARTICLE 7
NO STRIKE OR LOCKOUT

Section 1. No Strike Commitment

In consideration of the Employer's commitment as set forth in Section 4 of this Article, the Union, its Officers, agents, representatives, members and all other Deputy Clerks shall not, in any way, directly or indirectly, call, initiate, authorize, participate in, sanction, encourage, ratify or condone any strike, sympathy strike, work stoppage, slow down or any other interference with or interruption of the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. No bargaining unit Deputy Clerk shall refuse to cross any picket line, by whoever established.

Section 2. Discipline for Violation

The Employer may discharge any Deputy Clerk who violates this Article.

Section 3. No Lockout

In consideration of the Union's commitment as set forth in Section 1 of this Article, the Employer shall not lock out Deputy Clerk's during the term of the Agreement.

Section 4. Judicial Remedies

Nothing contained herein shall preclude the Employer or the Union from obtaining judicial restraint and damages in the event of a violation of this Article.

For the purpose of this Agreement the following definitions shall apply:

- (F) She accepts "gainful employment" that is inconsistent with the purpose of the authorized leave while on an approved leave of absence from the Employer.

Section 3. Seniority List

The Employer and Union have agreed upon the initial seniority list setting forth the present seniority dates for all Deputy Clerks covered by this Agreement and shall become effective on or after the date of execution of this Agreement. Such lists shall resolve all questions of seniority affecting Deputy Clerks covered under this Agreement or employed at the time the Agreement becomes effective. Disputes as to seniority listing shall be resolved through the Grievance Procedure. The initial agreed upon seniority list is attached hereto as Appendix B and made a part thereof.

Section 4. Seniority While On Leave

Deputy Clerks will continue to accrue seniority credit for all time spent on authorized leave of absence up to three (3) months. Deputy Clerks on military leave will continue to accrue seniority in accordance with Article 19 regarding military leave of absence.

ARTICLE 9
LAYOFF AND RECALL

Section 1. Procedure for Layoff

- (A) When Deputy Clerks are removed for the purpose of reducing the work force from any of the following Departments: Vital Records, Elections/Voter Management and Tax Extension, the Deputy Clerk with the least Office seniority shall be removed first. Prior to removing non-probationary Deputy Clerks, probationary Deputy Clerks, temporary and seasonal employees shall be removed first.
- (B) A removed Deputy Clerk may bump, conditioned upon being qualified, in the following order:
 - i) To a vacancy, if any, in the same pay grade;
 - ii) If no vacancy exists in I above, to bump an Deputy Clerk with the least office seniority with the same pay range;
 - iii) To a vacancy, if any, in the next lower pay grade;
 - iv) If no vacancy exists in iii above, to bump a Deputy Clerk with the least office seniority in a lower pay range.

To assure Department and Office efficiency, productivity and service, in no event shall more than one-third (1/3) of the positions in a department be affected by a transfer or transfers in utilizing the above procedures.

- (C) A removed Deputy Clerk shall have the procedures applied as set forth in subsection (B) above, until she is transferred or laid off.
- (D) In applying the procedures set forth in (B) and (C) above, a removed full-time Deputy Clerk shall be transferred to another full-time position for which there is a vacancy and for which that Deputy Clerk is qualified. A removed part-time Deputy Clerk may be transferred to either a full-time or part-time position for which there is a vacancy and for which that Deputy Clerk is qualified.
- (E) If more than one vacancy exists, or if there is more than one probationary Deputy Clerk at the time of removal, the Employer shall have the discretion to transfer the removed Deputy Clerk to the position the Employer deems appropriate.
- (F) Layoff of probationary Deputy Clerks shall be by date of hire.

- (G) If the Deputy Clerk, who is removed, requests assignment to a temporary position and is qualified to perform that job, the Employer may transfer that individual to that position.
- (H) If the removed Deputy Clerk is bumped to a position pursuant to this Section and the Deputy Clerk refuses to accept that position, provided the position the Deputy Clerk is being bumped to involves generally the same job duties and conditions of employment, or, if the Deputy Clerk is unable to assume the responsibilities of the position due to circumstances beyond the control of the Deputy Clerk, that Deputy Clerk shall be placed at the bottom of the recall list. However, if no other Deputy Clerks are on the recall list or if a Deputy Clerk refuses to accept more than one (1) position (subject to the same provided as above), the Deputy Clerk shall be terminated and not subject to the Procedure for Recall in Section 2, below.

Section 2. Procedure for Recall

A Deputy Clerk with seniority who has been laid off or bumped as a result of a layoff shall be recalled to work, conditioned upon ability to perform the work available, in accordance with the reverse application of the procedure for layoff. Recall rights shall continue for two (2) years after a Deputy Clerk has been laid off. No new Deputy Clerks shall be hired until all Deputy Clerks on layoff desiring to return to work have been given the opportunity to return to work.

In the event of recall, eligible Deputy Clerks shall receive notice of recall either by actual notice or by certified mail, return receipt requested. It is the responsibility of all Deputy Clerks eligible for recall to notify the Employer of their current address. Upon receipt of the notice of recall, Deputy Clerks have five (5) business days to notify the Employer of their acceptance of the recall. The Deputy Clerk has five (5) business days thereafter to report to work. If the Deputy Clerk fails to report to work within five (5) business days or longer by mutual agreement, that Deputy Clerk shall be terminated and will no longer be subject to this section.

If a Deputy Clerk returns to work within sixty (60) calendar days of a layoff, she will be reinstated with no break in service and with all previous seniority rights. For benefit purposes, a Deputy Clerk's length of service will be reduced by the length of time the Deputy Clerk was laid off.

Probationary Deputy Clerks who have been laid off have no recall privileges.

Section 3. Notice

The Employer shall notify the Union forty five (45) calendar days prior to the intended effective date of a planned layoff. The Employer and the Union will discuss alternatives to the layoff if put forth by the Union.

Any Deputy Clerk to be laid off will be notified thirty (30) calendar days prior to the effective date.

Section 4. Benefits

Benefits at layoffs are those applicable to terminations, except that health insurance coverage will be continued for up to six months as long as the Deputy Clerk portion of the monthly premium is paid by the Deputy Clerk by 15th of each month. After six months, COBRA coverage applies.

**ARTICLE 10
GRIEVANCE PROCEDURE**

Section 1. Grievance

A Grievance is defined as a dispute or disagreement as to the interpretation and application of any provision in this Agreement. Grievances shall be processed by the Union on behalf of a Deputy Clerk or on behalf of a group of Deputy Clerks or itself setting forth name(s) or group(s) of the Deputy Clerk(s). Either party shall have the grievant or one grievant representing group grievants present at any step of the grievance procedure. The resolution of a grievance filed on behalf of a group of Deputy Clerks shall be made applicable to the appropriate Deputy Clerks within that group.

Business days shall include the weekdays of Monday through Friday, excluding holidays or other days the Employer's Office is closed.

Section 2. Grievance Steps

Step I. Department Director

The Deputy Clerk or Deputy Clerks and/or the Union shall raise the grievance with the Deputy Clerk's Department Director who is outside the bargaining unit by submitting a written Grievance Form. The written grievance shall contain a statement of the grievant's complaint, the section(s) of the Agreement allegedly violated, if applicable; the date of the alleged violation, if applicable, and the relief sought. The form shall be signed and dated by the grievant. Improper grievance form, date or section citation shall not be grounds for denial of the grievance.

All grievances must be presented not later than fourteen (14) business days from the date the grievant(s) became aware of the occurrence giving rise to the complaint and shall be handed in person to the grievants Department Director who shall immediately acknowledge receipt. The Department Director shall render a written response to the grievance within fourteen (14) business days after the grievance is presented. If the grievance is not resolved at Step 1, the grievant shall indicate her intent to proceed to Step 2 on the Grievance Form and the Deputy Clerk's Department Director shall acknowledge this by initialing and dating the statement of intent to proceed. In those circumstances where securing the signature of the Department Director who is physically not available to sign would have adversely affected a timely submittal to the second level, the grievance will be submitted to the second level without such signature. A copy of the grievance

shall subsequently be provided to the Department Director for such signature. The Union is entitled to be present at any grievance meeting and any grievance settlement should not conflict with this Contract.

Step 2. Chief Deputy Clerk

In the event the grievance is not resolved at Step 1, it shall be presented in writing by the Union to the Chief Deputy or designee within fourteen (14) business days from the receipt of the answer or the date such answer was due, whichever is earlier.

Upon receipt of the written grievance at Step 2, the Chief Deputy shall schedule a meeting or hold discussions in an attempt to resolve the grievance within six (6) business days of receipt of the grievance and shall issue a written opinion within eight (8) business days thereof.

Step 3. County Clerk

If the grievance is still unresolved, it shall be presented by the Union to the County Clerk, or designee, in writing within fourteen (14) business days after receipt of the Step 2 response or after the Step 2 response is due, whichever is earlier.

Within fourteen (14) business days after receipt of the written grievance the grievant(s), a Union Staff Representative and/or a Union Deputy Clerk representative, the County Clerk and/or designee and anyone chosen to participate by the County Clerk shall meet or hold other discussions in an attempt to solve the grievance unless the parties mutually agree otherwise. The County Clerk or designee shall give a written response within fourteen (14) business days following the meeting.

If no meeting is held, the County Clerk or designee shall respond in writing to the grievance within fourteen (14) business days of receipt of the grievance.

Step 4. Arbitration

If the grievance is still unsettled, it may be presented to arbitration within fourteen (14) business days after receipt of the Step 3 response or the date the response was due, whichever is earlier. Upon request of either party, the parties may meet within fourteen (14) business days after receipt of request for arbitration for the purpose of conducting a pre-arbitration conference, in an attempt to resolve the grievance in writing prior to arbitration. If the grievance remains unresolved or a pre-arbitration conference is not requested, representatives of the Employer and the Union shall meet to select an arbitrator. If the parties are unable to agree on an arbitrator within the seven (7) business days, the parties shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. The parties shall alternately strike the names of three (3) arbitrators, taking turns as to the first strike. The person whose name remains shall be the arbitrator,

provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The arbitrator shall be notified of her selection by a joint letter from the Employer and the Union, requesting that she set a time and place for the hearing, subject to the availability of the Employer and Union representatives and shall be notified of the issue where mutually agreed by the parties.

Arbitration Procedures

Both the parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator.

The Employer or Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall be responsible for compensating its own representatives and witnesses who are not Deputy Clerks of the Employer. The expenses and fees of the arbitrator and the cost of the hearing room shall be shared equally the Union and the Employer.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute. The arbitrator shall neither amend, modify, nullify, ignore, add nor subtract from the provisions of this Agreement.

The decision and award of the arbitrator shall be final and binding on the Employer, the Union, and the Deputy Clerk or Deputy Clerks involved.

If either party desires a verbatim record of the proceeding, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy, it shall pay for the cost of its copy.

Nothing in this Article shall preclude the parties from agreeing to use expedited arbitration procedures.

Section 3. Time Limits

- (A) Grievances may be withdrawn at any step of the Grievance Procedure. Such withdrawal shall not constitute a decision on the merits of the grievance. Grievances not raised or appealed within the designated time limits will be barred.
- (B) The time limits at any step or for any hearing may be extended by mutual agreement of the parties involved at that particular step.
- (C) Failure to respond within the time limits by the designated person shall automatically advance the grievance to the next step.

Section 4. Time Off, Meeting Space and Telephone Use

- (A) Time Off: The grievant(s) and/or Union grievance representative will be permitted reasonable time without loss of pay during working hours to investigate and process grievances. Witnesses whose testimony is pertinent to the Union's presentation or argument will be permitted reasonable time without loss of pay to attend grievance meetings and/or respond to the Union's investigation. No Deputy Clerk or Union representative shall leave work to investigate, file or process grievances without first notifying and receiving permission from her Department Head or designee, as well as the Department Head of any other Clerk's Department to be visited, and such permission shall not be unreasonably denied. Deputy Clerks attending a grievance meeting shall be those having direct involvement in the grievance.
- (B) Meeting Space and Telephone Use: Upon request, the Deputy Clerk and Union representative shall be allowed the use of an appropriate room so long as there is one available while investigating or processing a grievance; and, upon prior approval, shall be permitted reasonable use of telephone facilities for the purpose of investigating or processing grievances. Such use shall not include any long distance or toll calls at the expense of the Employer.

Section 5. Advanced Grievance Step Filing

Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may by mutual agreement, be filed at the appropriate advance step where the action giving rise to the grievance was initiated. Mutual agreement shall take place between the appropriate Union representative and the appropriate Employer representative at the step where it is desired to initiate the grievance.

Section 6. Pertinent Witnesses and Information

Either Party may request the production of specific documents, books, papers or witnesses reasonably available from the other party and substantially pertinent to the grievance under consideration. Such documents shall be deemed pertinent if they support or refute the issue(s) set forth in the grievance. Such request shall not be unreasonably denied, and if granted shall be in conformance with applicable laws, and rules issued pursuant thereto, governing the dissemination of such materials. This paragraph is applicable to arbitration proceedings only.

ARTICLE 11
DISCIPLINE AND DISCHARGE

Section 1. Discipline and Discharge

The parties recognize the principles of progressive and corrective discipline for just cause.

Disciplinary action or measures which may be utilized include only the following:

- oral reprimand (shall be "oral-written")
- two (2) written reprimands
- suspension (notice to be given in writing)
- discharge (notice to be given in writing)

If the Employer has reason to reprimand a Deputy Clerk, it shall be done in a manner that will not embarrass the Deputy Clerk before other Deputy Clerks or the public. The Deputy Clerk shall be given a copy of any disciplinary action against said Deputy Clerk at the time it is being placed in the Deputy Clerk's personnel file.

For oral-written and written reprimands, the Employer shall provide the Union steward and Union Staff Representative with a copy of the reprimand.

For all other disciplinary action, the Employer shall notify the Union by submitting a copy of the disciplinary action to the Deputy Clerk and Union Steward.

Nothing in this Article shall prohibit the Employer from imposing discipline which is commensurate with the severity of the offense.

Section 2. Pre-Disciplinary Meeting

For discipline other than oral and written reprimands, prior to imposing the contemplated discipline on the Deputy Clerk, the Employer shall meet with the Deputy Clerk involved and inform the Deputy Clerk of the contemplated discipline and the reason thereof. The Deputy Clerk shall be informed of his contract rights to Union representation and shall be entitled to such, if so requested by the Deputy Clerk, and the Deputy Clerk and Union representative shall be given the opportunity to rebut or clarify the reasons for such discipline and further provided that a Union representative shall be available within twenty-four (24) hours of notification. If the Deputy Clerk does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non active participant at any and all such meetings, provided that said Union representative must be available when the meetings take place within 24 hours after notice.

If the Employer determines that there is evidence or reasonable suspicion that a Deputy Clerk has committed a serious or egregious offense or one which could have a detrimental impact on the morale of the Office or to the integrity of its operations, the Employer, at her discretion, may place a Deputy Clerk on administrative leave with or

without pay. The Employer will notify the Union in writing of placing any Deputy Clerk on administrative leave within two (2) business days from the date of commencement of the administrative leave. If the Deputy Clerk desires to contest being placed on administrative leave, she or a Union representative shall give written notice thereof to the Employer within five (5) business days of the commencement of the leave. In such event, the dispute shall be submitted and processed under the grievance procedure as set forth in Article X of this Agreement commencing at Step 3.

Section 3. Investigatory Interviews

Where the Employer desires to conduct an investigatory interview of a Deputy Clerk where the results of the interview might result in discipline, the Employer agrees to first inform the Deputy Clerk that the Deputy Clerk has a right to Union representation at such interview. If the Deputy Clerk desires such Union representation, no interview shall take place without the presence of a Union representative. If the Deputy Clerk does not request Union representation, it must be provided in written form and signed. The role of the Union representative is limited to assisting the Deputy Clerk, clarifying the facts and suggesting other Deputy Clerks who may have knowledge of the facts.

Section 4. Removal of Discipline

Records of discipline other than suspensions shall be removed from the Deputy Clerk's personnel file, if one year passes from the date of the offense without the Deputy Clerk receiving discipline for the same offense.

**ARTICLE 12
PERSONNEL FILES**

Section 1. Personnel Files

The Employer shall keep a central personnel file for each Deputy Clerk within the bargaining unit. The Employer is free to keep working files, but material not maintained in the central personnel file may not provide the basis for disciplinary or other action against a Deputy Clerk.

Section 2. Inspection

Upon request of a Deputy Clerk, the Employer shall reasonably permit a Deputy Clerk to inspect her personnel file subject to the following:

- (A) Such an inspection shall occur within seven (7) business day following receipt of the request. The Employer or her designee may be present during such inspection;
- (B) Such inspection shall only occur during daytime Office staff working hours Monday through Friday upon written request;

- (C) The Deputy Clerk shall not be permitted to remove any part of the personnel file from the premises but may obtain copies of any information contained therein;
- (D) Upon written authorization by the requesting Deputy Clerk, that Deputy Clerk may have a representative of the Union present during such inspection;
- (E) Pre-employment information, such as reference reports or information provided the Employer with a specific request that it remain confidential, shall not be subject to inspection or copying.

Section 3. Notification

Deputy Clerks shall be given notice by the Employer when any materials are placed in their personnel file except those of a routine, clerical nature.

Section 4. Limitation on Use of File Material

It is agreed that any material not available for inspection, such as provided in Section 1 and 2 above, shall not be used in any manner or any forum adverse to the Deputy Clerk's interest.

Section 5. Personnel Record Correction

If the Deputy Clerk disagrees with any information contained in the personnel record, a removal or correction of that information may be mutually agreed upon by the Deputy Clerk and Employer. The Deputy Clerk may submit a written statement explaining the Deputy Clerk's position, which shall be attached to the personnel record.

**ARTICLE 13
DEPUTY CLERK DEVELOPMENT & TRAINING**

Section 1. Orientation

The Employer and the Union recognize the need for the training and development of Deputy Clerks in order that services are efficiently and effectively provided and Deputy Clerks are afforded the opportunity to develop their skills and potential. In recognition of such principle the Employer shall endeavor to provide Deputy Clerks with reasonable orientation with respect to current procedures, methods, and techniques normally used in such Deputy Clerks' work assignments and periodic changes therein, including, where available and relevant to such work, procedural manuals.

The Employer shall provide such training as deemed necessary and appropriate. The Employer encourages Deputy Clerks to inform their Department Director if they believe that the training they have received is insufficient or that additional training would assist them in performing their job. Such suggestions by the Deputy Clerk should be as specific as possible.

Section 2. Reimbursement

The Employer will pay for the cost of an academic course, seminar or training session which is required of a Deputy Clerk by the Employer. Deputy Clerks may request to attend an academic course, seminar or training session by submitting a written request to the Chief Deputy along with the cost of all reimbursements. The approval of such requests are discretionary with the Employer and must be approved in writing.

ARTICLE 14
LABOR-MANAGEMENT COMMITTEE

Section 1. Labor Management Committee Meetings

The Union and the Employer mutually agree that in the interest of efficient management and harmonious Deputy Clerk relations, it is desirable that meetings be held between Union representatives and responsible administrative representatives of the Employer. Such meetings may be requested at least seven (7) business days in advance by either party by placing in writing a request to the other for a Labor-Management Committee meeting and expressly providing the agenda for such meeting. If there is no agenda prepared and submitted by the requesting party, there shall be no meeting. Either party may add to the agenda no later than three (3) days prior to the scheduled meeting date, unless otherwise mutually agreed. In no event shall a Deputy Clerk be entitled to overtime compensation for participation in a labor-management committee meeting. The Union may designate up to three Deputy Clerks to attend the meeting. The substance of these meetings shall include the subjects listed on the agenda, and those otherwise mutually agreed upon, which may include discussion of:

- (A) The implementation and general administration of this Agreement and policies and procedures of the Office;
- (B) A sharing of general information of interest to the parties;
- (C) Notifying the Union of changes in non-bargaining conditions of employment contemplated by the Employer which may affect Deputy Clerks.
- (D) Safety, health and security issues relating to Deputy Clerks.
- (E) Pre-tax child care; Office policies and procedures; auto mobile usage on County business; tuition reimbursement.

The Employer and the Union agree to cooperate with each other in matters of the administration of this Agreement.

To effectuate the purposes and intent of the parties, both parties agree to meet quarterly unless mutually agreed otherwise. Meetings shall be held at the Employer's Office and shall be limited to two (2) hours.

Section 2. Integrity of Grievance Procedure

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure and shall not be used to address personnel issues which are pertinent only to one member of the collective bargaining unit. Deputy Clerks may address personnel issues which are pertinent only to one member of the collective bargaining unit, which are not grievances or disciplinary matters, with the Chief Deputy. The Deputy Clerk may be accompanied by a Union Representative at such meeting. Such discussions may take place during a Deputy Clerk's regular working hours, but in no event may the Deputy Clerk or the Union Representative be paid overtime.

Section 3. Union Representative Attendance

When absence from work is required to attend Labor-Management Committee meetings, Deputy Clerks shall, before leaving their work station, give reasonable notice to and receive approval from their Department Director in order to remain in pay status. Such approval shall not be unreasonably withheld and shall be withheld only when the Employer determines that Office productivity will be adversely affected in which case an alternate Deputy Clerk may be chosen to participate.

**ARTICLE 15
HOLIDAYS**

Section 1. Approved Holidays

All Deputy Clerks shall receive holidays approved annually by the Kane County Board for non-court related Offices of Kane County, which currently are those listed in Appendix B attached hereto. Additional time off may be granted for all other days declared non-working days, as determined solely by the Employer.

Section 2: Election Day

Regardless of whether "Election Day" is approved as a holiday, Election Department/County Clerk Deputy Clerks are required to work "Election Day." Deputy Clerks in the Election Department/County Clerk who work during normal business hours on "Election Day" will be permitted to take that holiday at another time. Deputy Clerks who take the "Election Day" holiday at another time must submit an "Absence Request Form" and receive approval from their Department Head and Chief Deputy at least two (2) working days in advance of the day requested, except in an emergency situation. Requests will be approved provided adequate staffing and continuity of work scheduling is not adversely affected.

Section 3. Full-Time Deputy Clerks

Regular full-time Deputy Clerks shall receive a full day's pay for a County Board approved holiday.

Section 4. Part-time Deputy Clerks

Regular part-time Deputy Clerks shall receive pay, proportionate to the average number of hours normally worked, for a County Board approved holiday. (i.e., a Deputy Clerk who averages four (4) hours a day shall receive four (4) hours pay.)

Section 5. Holiday During Vacation

When a County Board approved holiday occurs during a scheduled vacation, an additional day of vacation will be credited to a Deputy Clerk.

Section 6. Required Work During a Regular Holiday

Normally, Deputy Clerks shall not be required to work on a regular approved holidays, except as provided in Sections 2 and 3 of this Article. In the event Deputy Clerks are required to work a holiday, except as provided in Sections 2 and 3 of this Article, Deputy Clerks shall be paid at one and a half (1-1/2) times their regular rate of pay and receive a holiday to be taken at a later date. Before taking that holiday, Deputy Clerks must submit an "Absence Request Form" and receive approval for taking that worked holiday off from their Department Head and Chief Deputy at least two (2) working days in advance of the day requested, except in an emergency situation. Requests will be approved provided adequate staffing and continuity of work scheduling is not adversely affected.

ARTICLE 16
VACATIONS

Section 1. Accrual

Vacation time is calculated from the first of the month in which the last date of hire occurred. All Deputy Clerks shall earn paid vacation time in accordance with the schedule below.

- at completion of 1 year -- 10 days
- at completion of 5 years -- 15 days
- at completion of 15 years -- 20 days

Regular part-time Deputy Clerks shall receive vacation time proportionate to the average number of hours worked. Deputy Clerks shall accumulate vacation based on county-wide seniority. During the first year of employment only, a Deputy Clerk may borrow up to five (5) days of vacation after six (6) months of continuous employment with the County Clerk's Office. If a Deputy Clerk elects to borrow up to five (5) days of vacation during the first year of employment, only five (5) days remain to be taken after the completion of twelve (12) months total service during the following one (1) year period of employment. If a Deputy Clerk's employment is terminated prior to her first anniversary and the Deputy Clerk has borrowed vacation time, the Deputy Clerk's pay for those days borrowed shall be deducted from her final paycheck.

Purchase of Military Service Credit – Notwithstanding the earning schedule set above, County employees who present proof of having purchased military service credit from the Illinois Municipal Retirement Fund pursuant to a duly approved resolution by the Kane County Board, will earn vacation time at a rate that equals their County employment plus the number of months of military service credits that were purchased. Proof must be presented to the Human Resources Department so that the employee's vacation accrual schedule is properly adjusted.

Section 2. Use

Vacation time may be taken, after it is earned (subject to Section 3 of this Article) in increments of not less than one-half (1/2) day at a time. Vacation time must be used prior to the Deputy Clerk's anniversary date or it will be forfeited, unless the carryover is specifically approved by the Chief Deputy or her designee. The allowance of carryover will be subject to the operational needs of the Office, and the time must be taken within sixty (60) days of the Deputy Clerk's anniversary date.

Section 3. Vacation Schedules

The following vacation schedule will serve as a general guideline for the Employer when Deputy Clerks request three (3) or more consecutive vacation days: Additional Deputy Clerks vacations may be approved by the respective Department Director above the number if the operational needs of the office can be met.

- (A) Election Department – One (1) Deputy Clerk per vacation period. Vacations will not be scheduled from six (6) weeks prior to or two (2) weeks after an election.
- (B) Tax Extension/Redemption Department -- One (1) Deputy Clerk per vacation period. Vacations will not be scheduled if:
 - i) From the date the Treasurer begins accepting Subsequent Taxes (approximately the 2nd week in September) to one week after the Tax Sale (Tax Sale is the last Monday of October).
 - ii) From the date Equalized Assessed Values are certified to the County Clerk or March 1st whichever occurs first to the date the Tax Extension is certified to the County Treasurer or April 15 whichever occurs first.
- (C) Vital Records -- Two (2) Deputy Clerks per vacation period. Some job assignments may require certain vacation time restrictions. For example, when Economic Interests Statements are being processed in order to meet legal deadlines.

If the Employer can permit a vacation of three (3) or more consecutive days in the block of restricted time, it will do so. If the Employer cannot do so, the Employer will notify

the Deputy Clerk of the reason it cannot permit the Deputy Clerk to take vacation at the time requested.

Section 4. Vacation Periods Scheduled by Seniority

Vacations shall be scheduled by Department.

Open enrollment: The period from January 15 to January 30 of each year will be an open enrollment period in which all Deputy Clerks may request vacation time for the upcoming year. Conflicts in scheduling will be resolved in favor of the Deputy Clerk having the greatest departmental seniority. No Deputy Clerk shall receive priority for more than one vacation period per calendar year; therefore when submitting vacation requests during open enrollment, Deputy Clerks should indicate which request is their highest priority. To break a tie between Deputy Clerks hired on the same date within a Department, the Deputy Clerks shall draw lots. Once a vacation period is approved and scheduled, the Deputy Clerk will be allowed to take that vacation, even if transferred and a scheduling conflict develops.

Vacation period requests other than as described above shall be granted on a first-come, first-granted basis. Vacations will be scheduled with prime consideration given to the efficient operation of the Department and Office.

Deputy Clerks will be limited to three (3) extended holiday weekends in a calendar year. This limitation may be waived if the holiday weekend has not been previously scheduled fifteen (15) calendar days prior to the date of the holiday.

Deputy Clerks must give at least fifteen (15) calendar days notice when seeking three (3) or more consecutive days of vacation. Deputy Clerks must give at least two (2) working days notice, except in an emergency situation, when requesting less than three (3) consecutive days of vacation.

To assure adequate staffing and continuity of work scheduling, no more than two (2) consecutive weeks of vacation may be taken, regardless of the number of weeks of vacation to which that Deputy Clerk may be entitled. This provision may be waived only with approval of the County Clerk. At least two (2) work weeks must elapse between vacation periods for those Deputy Clerks entitled to more than two (2) weeks of vacation.

In an unforeseen emergency, when adequate Office staffing cannot be assured, when continuity of work scheduling, Office efficiency, productivity or service to the public will be adversely affected, the Employer reserves the right to cancel a vacation that has already been approved and scheduled.

Section 5. Separation Pay

Deputy Clerks, or in case of death, their estate, shall be compensated for unused vacation earned upon separation.

If the Deputy Clerk terminates prior to the first anniversary and has borrowed vacation time, pay for days used will be deducted from the final paycheck.

Section 6: Holidays

When an approved holiday occurs during a scheduled vacation, an alternate day of vacation will be allowed.

Section 7. Vacation Pay

All vacation leave will be paid at the regular rate based on the length of the Deputy Clerk's normal workday.

Section 8. Vacation Checks

Deputy Clerks who will be on vacation on a payday may have their paychecks deposited by mail in their checking or savings accounts.

A written request for this service must be made to the payroll clerk of the Finance Department, along with a deposit slip, at least two (2) working days before the payday.

ARTICLE 17
SICK LEAVE AND PERSONAL DAYS

Section 1. Sick Days

On December 1st of each year, Deputy Clerks will be credited with seven (7) sick days. These days may be used in not less than one-fourth ($\frac{1}{4}$) hour increments for illness of the Deputy Clerk or the Deputy Clerk's immediate family or household. "Immediate family or household" (including step, foster and adopted) are defined as including the Deputy Clerk's children, father, mother, current spouse, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents and grandchildren. Also, immediate family includes the Deputy Clerk's current spouse and the spouse's grandchildren. In the case of a Deputy Clerk's civil union partner that resides with the Deputy Clerk, immediate family includes his/her father, mother, brother, sister, children and grandchildren. No doctor's note is required. These days are not cumulative and will not carry over from year to year. An "Absence Request Form" must be filled out for use of sick days.

A new Deputy Clerk shall accrue one and three quarter ($1 \frac{3}{4}$) sick days per quarter after probation.

Section 2. Personal Days

On December 1st of each year, Deputy Clerks will be credited with five (5) personal days. These days are not cumulative and will not carry over from year to year. Personal days must be used in increments of not less than one (1) hour at a time. Personal days may be used in conjunction with sick days and bereavement days provided adequate

staffing and continuity of work scheduling is not adversely affected and upon approval of the immediate Department Director and the Chief Deputy. In requesting personal days off, Deputy Clerks must submit an "Absence Request Form" and receive approval from their Department Director and Chief Deputy at least two (2) working days in advance of the day requested, except in an emergency situation. In an emergency, a Deputy Clerk may obtain verbal approval from her Department Director to use a personal day to cover an illness. Upon returning to work, she must complete an "Absence Request Form."

New Deputy Clerks will earn one and one quarter (1-3/4) personal days for each four (4) months after the probation period is completed.

Requests for personal time off received by any Department Head will be approved provided adequate staffing and continuity of work scheduling is not adversely affected.

Section 3. Attendance Incentive

A Deputy Clerk may earn up to three (3) paid incentive days per year. On November 30th of each year the Employer shall determine, as to each Deputy Clerk, the number of sick and personal days taken as permitted in Sections 1 and 2 above. To the extent that a Deputy Clerk has not used all of the personal or sick days to which she is entitled, the Deputy Clerk shall receive additional pay for up to three (3) of those days at her regular rate of pay. This incentive pay will be received on or before December 15th.

Section 4. Extended Leave

Extended sick leave is intended to provide Deputy Clerks with protection during periods when they are under a doctor's care at home or are hospitalized, and, except as provided below, have depleted the sick time provided for in Section 1 above. Extended sick leave is to be used during periods of personal injury, illness or maternity until IMRF disability benefits begin. In addition, a Deputy Clerk may use up to three (3) extended sick days during a fiscal year to care for a spouse, the Deputy Clerk's parents and the Deputy Clerk's children (biological and adopted). The IMRF disability benefit is payable after thirty (30) calendar days of disability and is equal to 50% of the Deputy Clerks average monthly earnings during the preceding twelve (12) months.

Extended leave shall comply with Kane County Policy relative to extended sick leave; provided however, Deputy Clerks may access extended sick leave before depleting sick time provided in Section 1 above if the illness or injury is personal and is for three (3) consecutive workdays or more and the Deputy Clerk provides a doctor's note. If Kane County modifies or terminates its Policy, this provision would follow the same course.

Prior to a leave of absence, and with the employer's approval, a Deputy Clerk may choose to reserve up to four of the sick days provided for in Section 1 above to be used subsequent to the leave. When opting to reserve days subsequent to a leave of absence, Section 3 above does not apply.

Section 5. Sick Days Abuse Sanctions

The Employer shall not discipline a Deputy Clerk for legitimate use of sick days. For the purposes of the provisions contained in this Article, "abuse" of sick days or sick leave is the utilization of such for reasons other than those stated in this Article.

Upon sufficient evidence of the abuse of such sick leave, the Deputy Clerk shall not be paid for such leave.

In addition, abuse of sick leave may subject the Deputy Clerk to disciplinary action pursuant to the terms of this Agreement. All Deputy Clerks agree to cooperate fully with the Department in verifying illness, and shall provide reasonable proof of illness upon request if the Employer has reasonable grounds to suspect abuse.

Section 6. Miscellaneous

A Deputy Clerk who reports to work and becomes ill, causing the Deputy Clerk to leave work, must use either a sick or personal day.

Deputy Clerks will only be permitted to use sick and/or personal days, vacation time or accumulated compensatory time to attend medical and/or dental appointments during normal work hours. In all cases an "Absence Request Form" must be filled out and submitted.

**ARTICLE 18

Section 1. Use of Feminine Pronoun

The use of the feminine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the feminine pronoun includes the masculine pronoun as well.

Section 2. Definition

Whenever the term Employer is used in this Agreement, it shall mean the County Clerk or her authorized Officer or agent.

Section 3. Notification of Leave Balance

On a bi-monthly basis, Deputy Clerks shall be given a statement of leave balances (sick leave, vacation, personal days, and compensatory time).

Section 4. Evaluations

The Union and the Employer encourage periodic evaluation conferences between the Deputy Clerk and her Department Director. The written evaluation done at least once a year by the Department Director shall be discussed with the Deputy Clerk, and the

Deputy Clerk shall be given a copy after completion. The Deputy Clerk shall sign the evaluation as recognition of having read it, but such signature shall not constitute agreement with the evaluation.

Deputy Clerks are not entitled to Union representation at performance evaluations. The Employer will not impose discipline at performance evaluations.

Section 5. Copies of the Agreement

Each Deputy Clerk covered by this Agreement shall receive a copy of the Agreement which the Employer shall have printed.

Section 6. Meeting Place

All meetings or hearings or other proceedings to which the parties have control over the meeting place, shall be held in the Employer's Office in Kane County, Illinois. This provision shall not apply to Union meetings, which shall not be held in the Employer's Office, except as provided in Article 10, Grievance Procedure and Article 14, Labor-Management Committee.

Section 7. Job Descriptions

Within ninety (90) days of the execution of this Agreement, Deputy Clerks shall have a copy of her current job description which shall include principle duties and responsibilities. When requirements are revised and the duties and responsibilities remain essentially unchanged, incumbents in these positions who qualified under previous requirements for the class shall be considered qualified.

Section 8. Automobile Used on County Business

Deputy Clerks using a vehicle for County business must possess a valid Illinois driver's license and have valid Illinois automobile insurance. Deputy Clerks shall receive the full amount of mileage allowed by the County under Section 2-72 of the Kane County Code, or as amended, while using their own vehicle on County business. Deputy Clerks shall comply with the County Policy on Driving Vehicles when on County Business.

Section 9. Paternity/Maternity Leave

The Employer will comply with the Family and Medical Leave Act and any regulations promulgated thereto.

**ARTICLE 19
LEAVE OF ABSENCE**

POLICY - Leaves of absence may be granted to maintain continuity of service and to protect the employer-employee relationship in instances where circumstances require an employee's absence. Leaves are granted on each individual case and at the discretion of the department head. Leaves of absence are without pay.

A leave of absence will not be granted for the purpose of trying another job. When a department head requests a leave of absence, the appropriate County Board committee will review the request. Failure to return at the end of an approved leave may result in termination.

An employee that has been granted a leave of absence is NOT permitted to engage in employment outside of their position with Kane County. The County Board or elected official may grant an exception for employees who are providing humanitarian relief because of a local or national emergency or catastrophic event.

TYPES OF LEAVES OF ABSENCE

(A) Family and Medical Leave - Eligible employees may be granted up to 12 work weeks for a family or medical leave for one or more of the following reasons:

(1) Birth Leave - for birth of a child of an employee and to provide care for the child following birth.

(2) Placement Leave - for placement of a child with an employee for adoption or foster care.

(3) Personal Illness - for a serious health condition when an employee is unable to perform their job.

(4) Family Illness - for an employee to care for their son, daughter, spouse or parent who has a serious health condition.

(5) Because of any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is a covered military member on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

(6) To care for a covered service member with a serious injury or illness if the employee is the spouse, son, daughter, parent or next of kin of the service member.

ELIGIBILITY - Employees may be eligible for a leave of absence if they have worked for at least 12 months and for at least 1,250 hours during the year preceding the start of the leave of absence.

Military Family Leave Entitlements – Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks to care for a covered service member during a single 12-month

period. A covered service member is: (1) a current member of the Armed Forces including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employees take FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

The FMLA definitions of "serious injury or illness" for current service members and veterans are distinct from the FMLA definitions of "serious health condition."

EXPIRATION OF ENTITLEMENT

Subject to the policy statement above, an employee taking leave due to the birth or placement of a child, the personal illness of the employee, a family illness or a qualifying exigency, may be eligible for up to 12 work weeks of leave a year that is based on a rolling 12-month period measured backward from the first date leave is used. In other words, each time an employee takes a leave, the remaining leave for which the employee may be eligible would be any balance of the 12 work weeks that has not been used during the immediately preceding 12 months. (For example: if an employee has taken 8 weeks of leave during the past 12 months, an additional 4 weeks of leave could be taken. If an employee used 4 weeks beginning February 1, 2008, 4 weeks beginning June 1, 2008 and 4 weeks beginning December 1, 2008, the employee would not be entitled to any additional leave until February 1, 2009. However, on February 1, 2009, the employee would be entitled to 4 weeks of leave; on June 1 the employee would be entitled to 4 additional weeks, etc.).

Combined Leave Total - During the single 12-month period described in the preceding paragraph, an eligible employee and spouse who both work for the County shall be entitled to a combined total of 26 work weeks of leave for the birth or placement of a child, for the personal illness of the employee, for a family illness or to care for the covered service member.

Leave Taken Intermittently or on a Reduced Schedule - Leave for the birth or placement of a child may not be taken by an employee intermittently or on a reduced leave schedule unless the employee and the department head agree. Leave in order to care for a spouse, son, daughter or parent with a serious health condition or because of an employee's serious health condition or to care for a covered service member may be taken intermittently or on a reduced leave schedule when medically necessary.

Foreseeable Leave

- for the birth or placement of a child - When the necessity for leave is foreseeable based on an expected birth or placement, the employee shall provide the department head with not less than 30 days notice, before the date the leave is to begin, of the employee's intention to take leave, except that if the date of the birth or placement requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.
- in order to care for a spouse, son, daughter or parent with a serious health condition or because of an employee's serious health condition or to care for a covered service member - When the necessity for leave is foreseeable based on planned medical treatment, the employee:
 - (a) shall make a reasonable effort to schedule the treatment so as not to unduly disrupt the operations of the department, subject to the approval of the health care provider of the employee, son, daughter, spouse or parent, as appropriate and
 - (b) shall provide the department head with not less than 30 days notice, before the date the leave is to begin, of the employee's intent to take leave, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.
- in any case in which the necessity for leave due to active duty of the family member is foreseeable, the employee shall provide such notice to the department head as is reasonable and practicable.

A request for a leave of absence shall be supported by a complete and sufficient medical certification issued by the health care provider of the eligible employee, or of the son, daughter, spouse or parent of the employee, or of the next of kin of an individual in the case of service member family leave. The County, via a human resources professional or a management official, may contact the health care provider for purposes of clarification and authentication of the medical certification after the employee has been given an opportunity to cure any deficiencies in the certification. Under no circumstances may the employee's direct supervisor contact the employee's health care provider.

In any case in which the department head has reason to doubt the validity of the certification provided, the department head may require, at the County's expense, that the employee obtain the opinion of a second health care provider designated or approved by the County; however the selected health care provider may not be employed on a regular basis by the County. Pending receipt of the second medical opinion, the employee is provisionally entitled to the benefits of leave. If the certifications do not ultimately establish the employee's entitlement to FMLA leave, the leave shall not be designated as FMLA leave and may be treated as paid or unpaid leave under the County's established leave policies.

The first time an employee requests leave because of a qualifying exigency arising out of the active duty or call to active duty status of a covered military member, a department head may require the employee to provide a copy of the covered military member's active duty orders or other documentation issued by the military that indicates that the covered military member is on active duty or call to active duty status in support of a contingency operations, and the dates of the covered military member's active duty service. This information need only be provided once, unless a different active duty or call to active duty status occurs.

Upon return to work from a family or medical leave, the employee is entitled to be restored to their original or equivalent position which involves the same or substantially similar duties and responsibilities with equivalent pay, benefits or other terms and conditions of employment. An employee is entitled to such reinstatement even if the employee has been replaced or his or her position has been restructured to accommodate the employee's absence.

As a condition of restoring an employee whose leave was occasioned by the employee's own serious health condition that made the employee unable to perform the employee's job, the County may require the employee to obtain and present certification from the employee's health care provider that the employee is able to resume work. An employee has the same obligation to participate and cooperate in the fitness for duty certification process as in the initial certification process.

The County may seek fitness-for-duty certification only with regard to the particular health condition that caused the employee's need for medical leave. The County may require that the certification specifically address the employee's ability to perform the essential functions of the employee's job as long as the department head provides the employee with a list of the essential functions of the employee's job at the same time that the department head provides notice to the employee that the leave is designated as FMLA-qualifying. The department head may contact the employee's health care provider for purposes of clarifying and authenticating the fitness-for-duty certification. The department head may not delay the employee's return to work while contact with the health care provider is being made, unless the department head has failed to give notice to the employee that a fitness for duty certification to return to work that addresses the employee's ability to perform the essential functions of the employee's job is required. In circumstances where a fitness-for-duty certification is required, the supervisor shall present the certification to the Human Resources Director before the employee shall be allowed to return to work.

If State or local law or the terms of a collective bargaining agreement govern an employee's return to work, those provisions shall be applied.

It shall be unlawful for any supervisor to interfere with, restrain, or deny the exercise of any right provided under the FMLA, including discharging or discriminating against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

During leaves for annual training (typically 14-15 days, but can be longer), the employee shall continue to receive his or her regular compensation as a County employee. During leaves for basic training and up to 60 days of special or advanced training, if the employee's compensation for military activities is less than his or her compensation as a County employee, he or she shall receive his or her regular compensation as a County employee minus the amount of his or her base pay for military activities.

However, when the Armed Forces of the United States of America are engaged in or involved in active hostilities, eligible employees who are called to service during said hostilities shall receive the difference, if any, between the salary they would have received from Kane County and the salary they receive from the United States for a term of up to five (5) years unless the above period is extended by law in which case the employee shall continue to receive the benefits as stated.

Military leaves will be granted to all eligible full-time and part-time employees when they are called to leave their positions to enter military service. Seniority will be restored as required by state or federal law. The employee will be restored to his or her same or similar position by making application within 90 calendar days after discharge or hospitalization continuing after discharge.

For all non-FMLA military leaves, employees should provide their supervisor with a copy of their written orders, including any subsequent changes within 30 days of the change or as soon as reasonably practical.

(C) Personal Leave - May be granted or denied at the discretion of the department head based on the facts of each individual case. The reason for this type of leave must be of a nature involving a serious family problem or some similar circumstance. The guidelines listed under the "Rules, Regulations and Procedures" section of this policy must be adhered to in all cases.

(D) Educational Leave - May be granted at the discretion of the department head without pay to eligible employees who wish to continue their education provided the course of study is beneficial to the department.

(F) Administrative Leave - A standing committee of the Kane County Board or Kane County Chairperson may place an employee on administrative leave of absence

pending a determination of the employee's employment status for a maximum of thirty (30) days. A leave of absence under this subsection shall be with pay and shall not be considered a discharge or suspension. A leave of absence under this subsection shall not affect the employee's fringe benefits.

(G) Victim's Economic Security and Safety Act (VESSA) Leave – An employee who is a victim of domestic or sexual violence or who has a family or household member who is a victim of domestic or sexual violence may take up to a total of 12 work weeks of leave from work during any 12-month period to address the domestic or sexual violence, as detailed in VESSA. This may include seeking medical attention or counseling for injuries or psychological trauma, obtaining victim services, relocating, seeking legal assistance or participating in a related court proceeding. Neither this section nor VESSA creates additional rights for an employee to take leave that exceeds the unpaid leave time under, or is in addition to unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

(H) Notice and Certification – The employee shall provide the employer with at least 48 hours' advance notice of the employee's intention to take a leave under VESSA, unless providing such notice is not practicable. When an unscheduled absence occurs, the employee shall provide notice as soon as possible, and shall provide certification to the employer in accordance with the provisions of VESSA.

(I) School Visitation Leave – Eligible employees that have been employed for at least six (6) consecutive months may take up to a maximum of eight (8) hours during any school year to attend school conferences or classroom activities related to the employee's children if the conference or classroom activities cannot be scheduled during non-work hours. An employee may not take more than four (4) hours of school visitation leave in one day, and the leave may not be taken if the employee has not exhausted all accrued vacation leave, personal leave or any other type of leave, except for sick or disability leave. The employee must provide their supervisor with at least 7 days advance notice. In emergency situations, no more than 24 hours notice is required. The employee must consult with their supervisor to schedule the leave so as not to unduly disrupt the operations of the employer.

RULES, REGULATIONS AND PROCEDURES

A department head may require, or an employee may elect, that accrued sick days, accrued vacation and, if applicable, personal days and compensatory time be used during the leave of absence. It is understood that if a Deputy Clerk on an approved FMLA leave has accrued a minimum of three (3) weeks of vacation per year, then that Deputy Clerk may reserve upon request up to a one (1) week block of vacation for later use in accordance with the agreement.

Extended Leave of Absence – Any leave over 12 work weeks in duration, except leave to care for a qualified service member, is considered an extended leave of absence. An employee needing to be off work for more than 12 consecutive work weeks must

petition the department head for an extended leave, which may be granted at the department head's discretion based upon the operational needs of the department. Employees in this extended period must contact their department head at least 30 calendar days prior to their expected return to work.

Healthcare Coverage During a Leave of Absence – During any approved leave, the County will maintain the employee's health coverage under any group health plan on the same terms as if the employee had continued to work. If the employee is not receiving any pay from the County while on leave, the employee must pay their portion of health insurance coverage each month.

Vacation, Sick Pay and Holiday Pay - Sick pay credit and vacation time will not continue to accrue after the last day paid on any authorized leave of absence. Employees will be paid for holidays which fall during the period they are receiving pay from the County. The use of any leave will not result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Effect of Leave on Satisfactory Performance Salary Increase Eligibility - Employees under Job Class have been assigned a date which establishes eligibility for a satisfactory performance increase. The employee's SPI eligibility dates will be extended one (1) month for each month or any portion of a month taken beyond three (3) months (90 calendar days) from the last day paid. The SPI eligibility date is always the first day of the month in which the return occurs. (Does not apply to military leave).

PROCEDURE

(1) A "Request for Leave of Absence" form should be completed by the employee defining the reason for the leave, its duration, and the amount of vacation, sick pay, and if applicable, compensatory time to be used during the leave (if any).

To be eligible, a Deputy Clerk must have twelve (12) months or more of service credit with IMRF. Pregnancy is included as a disability under IMRF if the Deputy Clerk is eligible and claims should be submitted in the same manner as other disability claims. The Kane County Human Resource Department should be contacted for the forms for application.

(B) Deputy Clerks participating under IMRF and on a leave of absence without pay from the County Clerk's Office or disability pay under IMRF (i.e., family illness, placement leave) will not be protected for death or disability benefits during the unpaid period. Before the leave of absence begins, Deputy Clerks should file with IMRF a Benefit

Protection Leave of Absence Authorization (forms are available in the Kane County Human Resource Department). Death and disability benefits are reinstated immediately upon returning to work. Deputy Clerks may establish service credits for retirement (not to exceed twelve (12) months) for this leave by paying the Deputy Clerk contributions which would have been paid if actually working plus interest. The County Board must approve the acceptance of employer paid IMRF obligations.

Workers' Compensation

The Workers' Compensation law provides protection for Deputy Clerks experiencing occupational disabilities through accidents or by exposure to disease arising out of and in the course of employment.

(A) When a Deputy Clerk suffers an on-the-job injury or exposure, even though no medical attention is required, a "Report of Injury" form must be completed by the Employer and sent to the Human Resources Department as soon as possible. If medical attention was required as a result of the injury or exposure, a claim will then be filed with the County Human Resources Department.

(B) All expenses involved with the treatment of the exposure or injury are covered by the Illinois Workers' Compensation Act. That Act provides payment of sixty-six and two-thirds (66 2/3) of the Deputy Clerk's wages for lost time at work after a three-day waiting period. If the Deputy Clerk is off work for more than fourteen days because of a job related injury or exposure, then the Deputy Clerk will be compensated for the waiting period. In addition to this partial payment of wages pursuant to the Illinois Workers' Compensation Act (hereinafter referred to as "The Act"), Deputy Clerks with more than one year of service with the County will also receive a minimal amount of disability through IMRF.

The Employer, in addition to compliance with the Act, shall pay an additional one third (1/3) of the average weekly wage to Deputy Clerk for the first thirty days that the Deputy Clerk is totally disabled. This is a voluntary payment by the Employer and by accepting such payments, Deputy Clerks shall recognize and will assist the Employer in enforcing its subrogation rights and shall comply with the policy for On The Job Injuries And Illnesses.

Time away from work with pay shall be granted for such purposes. All compensation received for court or jury shall be remitted by the Deputy Clerk to the County Auditor, to be returned to the County Treasurer from which the original payroll warrant was drawn. The County Clerk feels that by volunteering to appear as a witness, a Deputy Clerk may create the impression that the County favors one litigant to the detriment of the other. Therefore, to avoid any suspicion of favoritism, County Deputy Clerks are instructed not to appear as a witness unless properly subpoenaed.

Bereavement Leave

In the event of a death in a non-probationary Deputy Clerk’s immediate family, the non-probationary Deputy Clerk will be allowed up to three (3) days leave with pay for the time actually lost. LESSOR and LESSEE are collectively referred to herein as the “**Parties**” and individually referred to herein as a “**Party**”.

RECITALS

- A. LESSOR owns and controls, is in the process of constructing, and/or is willing to construct a fiber optic network along the route identified in the applicable **Exhibit A-[X]**, (each a “**Fiber Route**”).
- B. LESSOR desires to lease to LESSEE, and LESSEE desires to lease from LESSOR the number of strands of fiber in a continuous path along the entirety of the Fiber Route set forth in the applicable **Exhibit A-[X]** (the “**LESSEE Fibers**”).

Accordingly, in consideration of the mutual promises set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1. THE LESSEE FIBERS

In the event of any good faith rejection by LESSEE, LESSOR shall take such action as reasonably necessary, and as expeditiously as practicable, to correct or cure such defect or failure. The foregoing procedures shall apply again and successively thereafter until LESSOR has remedied all defects or failures and the LESSEE Fibers are accepted or deemed accepted. If LESSEE uses the LESSEE Fibers to carry traffic prior to acceptance by LESSEE, such use shall constitute acceptance of the LESSEE Fibers. The date of such notice of acceptance or deemed acceptance of the LESSEE Fibers shall be the “**LESSEE Acceptance Date**”.

2.2 Upon LESSEE’s written request and no sooner than ninety (90) days after the LESSEE Acceptance Date, LESSOR will provide LESSEE with as-built drawings of each Fiber Route.

ARTICLE 4.
TERM; TERMINATION

4.1 This Agreement is for a term of three (3) years commencing on the date first above written and shall automatically renew for additional one year periods unless either party gives the other party written notice of its intent not to renew at least sixty (60) days prior to the expiration of the then current term; provided, however, that this Agreement shall remain in effect and be incorporated into every Exhibit A for the entire term of every Exhibit A. It is expressly understood and agreed that each Exhibit A shall continue in full force and effect, including incorporation of the terms of this Agreement, during its term notwithstanding any termination or expiration of this Agreement. Each Exhibit A shall have an initial term stated therein (each an "Initial Term"), and upon the expiration of the Initial Term of the Exhibit A, the Exhibit A shall automatically renew for the term(s) stated therein (each a "Renewal Term") unless either party gives sixty (60) days prior written notice of its intent to terminate the Exhibit A before the end of the then current term. The Initial Term and the Renewal Term(s) of each Exhibit A are collectively referred to as the "Term" of such Exhibit A.

4.2 If any Exhibit A is terminated after execution and prior to LESSEE Acceptance Date of the LESSEE Fibers in such Exhibit A, LESSEE agrees to pay to LESSOR: (i) those costs reasonably incurred by LESSOR through the date of receipt of termination and (ii) any fees and costs LESSOR incurs (or has contracted to incur) from other suppliers in connection with the LESSEE Fibers, the applicable Exhibit A or termination thereof.

4.3 If any Exhibit A is terminated after the LESSEE Acceptance Date of the LESSEE Fibers in such Exhibit A and prior to the expiration of the then current Term of such Exhibit A for any reason other than a Default by LESSOR as set forth in Section 10.2, then LESSEE agrees to pay LESSOR as liquidated damages and not as a penalty an early termination charge equal to one hundred percent (100%) of the MRC multiplied by the number of months remaining in the then current Term; (ii) any recurring and non-recurring fees and costs LESSOR incurs (or has contracted to incur) from other suppliers in connection with the LESSEE Fibers, the applicable Exhibit A or termination thereof; and (iii) any outstanding invoices or other amounts still owed by LESSEE. Such payment shall be due within thirty (30) days of the effective date of termination.

ARTICLE 5.
CONSIDERATION; BILLING AND PAYMENT

5.1 LESSEE agrees to pay LESSOR a non-recurring charge set forth in each Exhibit A (each an "NRC") and a monthly recurring charge set forth in each Exhibit A (each an "MRC"). In the event that fewer than all LESSEE Fibers have been accepted or deemed accepted by LESSEE, until such time as all LESSEE Fibers have been accepted or deemed accepted, LESSEE agrees to pay LESSOR the NRC, if any, and the MRC by Segment set forth in the applicable Exhibit A for the accepted or deemed accepted LESSEE Fibers. For the avoidance of doubt, after all LESSEE Fibers in any Exhibit A have been accepted or deemed accepted, the total MRC set forth in the applicable Exhibit A shall be due and payable.

5.2 All charges shall be due and payable by LESSEE to LESSOR within thirty (30) days of the invoice date (the “**Due Date**”). The recurring charges shall be invoiced monthly in advance. LESSOR’s billing cycle will follow the calendar month. A pro-rated portion of the first month’s MRC will be included on the first invoice plus the next month’s MRC in advance. NRCs will be included on the invoice for the month in which incurred. If any undisputed amounts are not paid on the Due Date, a late charge shall accrue on all amounts not paid when due equal to one and one-half percent (1 ½%) (or the maximum legal rate, if less) of the unpaid balance per month and LESSOR may charge LESSEE for all reasonable charges, costs, expenses and attorney’s fees incurred by LESSOR to collect such undisputed amounts. If LESSEE disputes any of the charges on its monthly invoice, it shall notify LESSOR within ninety (90) days after LESSEE’s receipt of the invoice of the disputed charges and LESSEE’s reason for disputing the same. All disputes must be made in writing, reasonable, relate to the LESSEE Fibers, and include a detailed explanation of the dispute. LESSEE agrees to work with LESSOR in good faith to resolve the dispute within thirty (30) days of LESSOR’s receipt of LESSEE’s notification of dispute. If it is later determined that LESSEE owes the amount in dispute, or a portion of it, LESSEE agrees to pay such amount immediately following the date of such determination. If LESSEE does not deliver a challenge or dispute to any invoice within ninety (90) days after the invoice date, the invoice will be considered final and accepted without recourse or later dispute by LESSEE.

ARTICLE 6.
OWNERSHIP

LESSOR retains all ownership and legal title to the LESSEE Fibers. During the term of this Agreement, LESSOR agrees and acknowledges that it has no right to use the LESSEE Fibers.

ARTICLE 7.
ACCESS

Subject to any underlying third party rights, LESSEE may access the LESSEE Fibers at the endpoints of the Fiber Route specified in the **Exhibit A** (“**Connecting Points**”). All such access and interconnection shall be performed by LESSOR and shall be subject to the access and interconnection standards and procedures established by LESSOR, as modified from time to time.

ARTICLE 8.
MAINTENANCE, REPAIR, RELOCATION AND REPLACEMENT OF THE LESSEE ROUTE

8.1 Throughout the Term, LESSOR shall, at its cost (i) use commercially reasonable efforts to maintain and repair the LESSEE Fibers and each Fiber Route, in accordance with the requirements and procedures described in **Exhibit B** which may be modified from time to time by LESSOR provided that no such modification shall interfere with or alter LESSEE’s access to and use of the LESSEE Fibers as set forth herein, and (ii) to replace or relocate the LESSEE Fibers, as LESSOR deems necessary. The Parties shall cooperate, to the extent reasonably practical, to minimize any interference with use of the LESSEE Fibers during any maintenance, repair, replacement and relocation activities.

8.2 This Agreement does not obligate LESSOR to supply to LESSEE any optical or electrical equipment or other facilities, including without limitation, collocation space, regeneration facilities, generators, batteries, HVAC, fire protection equipment, monitoring equipment or testing equipment, all of which are the sole responsibility of LESSEE. LESSOR is not responsible for performing any work or providing any service other than as specifically set forth in this Agreement.

ARTICLE 9.
UNDERLYING RIGHTS; TAXES

9.1 For purposes of this **Article 9** “**Underlying Rights**” shall mean the tangible and intangible property rights needed for the operation of each Fiber Route, including, but not limited to, all rights, licenses, authorizations, rights-of-way and other agreements necessary for the use of poles, conduit, cable, wire or other physical plant facilities, as well as any other such rights, licenses, authorizations (including any necessary state,

tribal or federal authorizations such as environmental permits), rights-of-way and other agreements necessary for the installation and use of each Fiber Route, subject to underlying real property and contractual limitations and restrictions, but in any event excluding any electronic or optronic equipment.

9.2 LESSEE Fibers are subject and subordinate to the terms of the Underlying Rights. LESSOR has obtained (or will obtain prior to the LESSEE Acceptance Date) the Underlying Rights and will use commercially reasonable efforts to cause the Underlying Rights to remain effective throughout the Term.

9.3 As used in this Article 9, "**Tax**" or "**Taxes**" shall mean any and all taxes, fees, franchise fees, assessments, charges, and levies, together with any penalties, fines, or interest thereon, (hereinafter collectively referred to as "**Taxes**") imposed by any authority having the power to tax, including any city, county, state, or federal government or quasi-governmental agency or taxing authority. LESSOR shall be responsible for any and all Taxes assessed against any fibers it owns or controls along each Fiber Route; provided however, during the Term, LESSEE shall be responsible for any and all Taxes associated with the LESSEE Fibers. To the extent LESSEE claims exemption from any Tax, LESSEE must provide a valid exemption certificate, or such Taxes will be due and payable to LESSOR within thirty (30) days of the date of LESSOR's invoice for such Taxes.

ARTICLE 10. DEFAULT

10.1 LESSEE shall not be in default under this Agreement, or in breach of any provision of this Agreement unless and until LESSOR shall have given LESSEE written notice of such breach and LESSEE shall have failed to cure the same within thirty (30) days after receipt of such notice; provided, however, that where such breach cannot reasonably be cured within such 30-day period, if LESSEE shall proceed promptly to cure the same and prosecute such curing with due diligence, the time of curing such breach shall be extended for such period of time as may be necessary to complete such curing. Upon the failure by LESSEE to timely cure any such breach after notice thereof from LESSOR, LESSOR shall have the right to terminate any or all **Exhibit A's** upon written notice to LESSEE. Notwithstanding the foregoing, if LESSEE fails to pay its NRCs or MRCs within thirty (30) days after receipt of notice of such failure, LESSOR may terminate any or all **Exhibit A's** immediately.

10.2 LESSOR shall not be in default under this Agreement or in breach of any provision of this Agreement unless and until LESSEE shall have given LESSOR written notice of such breach and LESSOR shall have failed to cure the same within thirty (30) days after receipt of such notice; provided, however, that where such breach cannot reasonably be cured within such 30-day period, if LESSOR shall proceed promptly to cure the same and prosecute such curing with due diligence, the time for curing such breach shall be extended for such period of time as may be necessary to complete such curing. Upon the failure by LESSOR to timely cure any such breach after notice thereof from LESSEE, LESSEE shall have the right to terminate the applicable **Exhibit A**.

ARTICLE 11. REPRESENTATIONS, WARRANTIES, LIMITATION OF LIABILITY/DISCLAIMER

- A. it has the full right and authority to enter into, execute, deliver and perform its obligations under this Agreement and each **Exhibit A** signed by such Party;

any approval, consent, permission, authorization, order or license of any state governmental authority or regulatory body;

The representations and warranties set forth in Section 11.1 remain in effect for the longest time period permitted by law.

11.2 NOTWITHSTANDING ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL COSTS, LIABILITIES OR DAMAGES, WHETHER FORESEEABLE OR NOT, ARISING OUT OF, OR IN CONNECTION WITH, SUCH PARTY'S PERFORMANCE OF ITS OBLIGATIONS UNDER THIS AGREEMENT.

ARTICLE 14.
GENERAL

14.1 Assignment. Neither party may assign this Agreement without the written consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed. The foregoing notwithstanding, either party (referred to in this Section 14.1 as the "**Assigning Party**") may, without the prior consent of, but on notice to the other party, assign this Agreement to (a) an affiliate of the Assigning Party, or (b) the parent of the Assigning Party or (c) any company into which the Assigning Party may be merged or consolidated, or that acquires all or substantially all of the assets or equity of Assigning Party or (d) a lender as collateral. An "**affiliate**" of the Assigning Party shall mean any entity which, directly or indirectly, controls or is controlled by or is under common control with the Assigning Party, or a successor entity to the Assigning Party by merger, consolidation, or non-bankruptcy reorganization. For purpose of the definition of "**affiliate**," the word "**control**" (including "**controlled by**" and "**under common control with**") means, with respect to any corporation, partnership, limited liability company, or association, possession, directly or indirectly, of the power to direct or cause the direction of the management and policy of a particular corporation, partnership, limited liability company or association, whether through the ownership of voting securities or by contract or otherwise.

14.2 Binding Effect. This Agreement and each of the Parties' respective rights and obligations under this Agreement, shall be binding on and shall inure to the benefit of the Parties hereto and each of their respective successors and assigns.

14.3 Waiver. The failure of either Party hereto to enforce any of the provisions of this Agreement, or the waiver thereof in any instance, shall not be construed as a general waiver or relinquishment on its part of any such provision, but the same shall nevertheless be and remain in full force and effect.

14.4 Governing Law. This Agreement shall be governed by and construed in accordance with the domestic laws of the State of Illinois, without reference to its choice of law principles.

14.5 Rules of Construction. The captions or headings in this Agreement are strictly for convenience and shall not be considered in interpreting this Agreement or as amplifying or limiting any of its content. Words in this Agreement which import the singular connotation shall be interpreted as plural, and words which import the plural connotation shall be interpreted as singular, as the identity of the Parties or objects referred to may require.

- A. Unless expressly defined herein, words having well known technical or trade meanings shall be so construed. All listing of items shall not be taken to be exclusive, but shall include other items, whether similar or dissimilar to those listed, as the context reasonably requires.
- B. Except as set forth to the contrary herein, any right or remedy of LESSEE or LESSOR shall be cumulative and without prejudice to any other right or remedy, whether contained herein or not.
- C. Nothing in this Agreement is intended to provide any legal rights to anyone not an executing Party of this Agreement.
- D. This Agreement has been fully negotiated between and jointly drafted by the Parties.
- E. All actions, activities, consents, approvals and other undertakings of the Parties in this Agreement shall be performed in a reasonable and timely manner, it being expressly acknowledged and understood that time is of the essence in the performance of obligations required to be performed by a date expressly specified herein. Except as specifically set forth herein, for the purpose of this Agreement, the standards and practices of performance within the telecommunications industry in the relevant market shall be the measure of a Party's performance.

14.6 Entire Agreement. This Agreement constitutes the entire and final agreement and understanding between the Parties with respect to the subject matter hereof and supersedes all prior agreements relating to the subject matter hereof, which are of no further force or effect. The Exhibits referred to herein are integral parts hereof and are hereby made a part of this Agreement. This Agreement may only be modified or supplemented by an instrument in writing executed by each Party and delivered to the Party relying on the writing.

14.7 Relationship of the Parties. The relationship between LESSEE and LESSOR shall not be that of partners, agents, or joint venturers for one another, and nothing contained in this Agreement shall be deemed to constitute a partnership or agency agreement between them for any purposes, including, but not limited to federal income tax purposes. LESSEE and LESSOR, in performing any of their obligations hereunder, shall be independent contractors or independent Parties and shall discharge their contractual obligations at their own risk subject, however, to the terms and conditions hereof.

14.8 Severability. If any term, covenant or condition contained herein is, to any extent, held invalid or unenforceable in any respect under the laws governing this Agreement, the remainder of this Agreement shall not be affected thereby, and each term, covenant or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

14.9 Counterparts; Electronic Delivery. This Agreement and each **Exhibit A** may be executed in one or more counterparts, all of which taken together shall constitute one and the same instrument. Faxed, electronically delivered and scanned executed documents will be considered originals for purposes of confirming an enforceable agreement.

14.10 Expenses. Except as otherwise expressly provided herein or therein, each Party shall bear the costs and expenses incurred by it in negotiating, entering into and performing any of its obligations under this Agreement.

14.11 Confidentiality.

- A. Each Party agrees that all information furnished to it by the other Party, or to which it has access under this Agreement, shall be deemed confidential and proprietary information to the extent that such information is marked or designated as confidential or proprietary or if the Party receiving the information knows or reasonably should know that such information is confidential or proprietary (collectively referred to as "**Proprietary Information**"). Proprietary Information of the disclosing Party shall remain the sole and exclusive property of the disclosing Party. Each Party shall treat the Proprietary Information and the contents of this Agreement in a confidential manner and, except to the extent necessary in connection with the performance of its obligations under this Agreement,

neither Party may directly or indirectly disclose the same to anyone other than its employees and agent who have a need to know the Proprietary Information and are under obligation to maintain its confidentiality.

- B. The confidentiality obligations of this Section do not apply to any portion of the Proprietary Information: (i) which is or becomes public knowledge through no fault of the receiving Party; (ii) in the lawful possession of the receiving Party prior to disclosure to it by the disclosing Party (as confirmed by the receiving Party's records); (iii) disclosed to the receiving Party without restriction on disclosure by a person who has the lawful right to disclose the information; or (iv) disclosed pursuant to the lawful requirements or formal request of a governmental agency. If the receiving Party is requested or legally compelled by a governmental agency, court of competent jurisdiction or validly issued order to disclose any Proprietary Information of the disclosing Party, unless prohibited by law, the receiving Party shall provide the disclosing Party with prompt written notice of such requests so the disclosing Party may seek to obtain a protective order requiring that the Proprietary Information. Failing the entry of a protective order or other appropriate remedy or receipt of a waiver hereunder, the receiving Party shall furnish only that portion of the Proprietary Information which it is legally required to furnish.
- C. Each Party acknowledges that its breach or threatened breach of this Section shall cause the disclosing Party irreparable harm that would not be adequately compensated by monetary damages. Accordingly, in the event of any such breach or threatened breach, the receiving Party agrees that equitable relief, including a temporary or permanent injunction, is an available remedy in addition to any legal remedies to which the disclosing Party may be entitled.
- D. Neither Party may use the logo, trade name, service marks, or printed materials of the other Party, in any promotional or advertising materials, statement, document, press release or broadcast without the prior written consent of the other Party, which consent may be granted or withheld at the other Party's sole discretion.
- E. Any obligations of the Parties relating to confidentiality shall survive termination of this Agreement for a two (2) year period.

14.12 Third Party Beneficiaries. The provisions of this Agreement and the rights and obligations created hereunder are intended for the sole benefit of LESSOR and LESSEE, and do not create any right, claim or benefit on the part of any person not a Party to this Agreement, including end-users.

ARTICLE 15. DISPUTE RESOLUTION

The Parties to this Agreement plan to use due diligence and their best efforts to work together to implement the Agreement and amicably resolve their differences. However, the Parties understand that issues and conflicts may arise where they reach an impasse. The Parties acknowledge their desire to reach a working solution by using good faith attempts to resolve such issues and conflicts. Any claim or controversy related to or arising out of the Agreement, whether in contract or in tort ("**Dispute**"), will be resolved on a confidential basis, according to the following process, which either party may start by delivering to the other party a written notice describing the Dispute and the amount involved ("**Demand**"). After receipt of a Demand, authorized representatives of the Parties will meet at a mutually agreed upon time and place to try to resolve the Dispute by negotiation. If the Dispute remains unresolved thirty (30) days after receipt of the Demand, either party may start binding arbitration in Evansville, Indiana. The Parties will use their reasonable best efforts to conclude the arbitration as expeditiously as possible and, if possible, within sixty (60) days following commencement of any arbitration proceeding. The arbitration will be before a three-arbitrator panel. Each Party will each select one partial arbitrator, in its sole discretion, to represent its interest at its sole expense. The partial arbitrator may be an employee, director, officer or principal of the Party. The final arbitrator, who will be impartial, will be selected by the two partial arbitrators. In the event the two partial arbitrators will fail to select an impartial arbitrator, either Party may apply to a court of law to have a judge select an impartial arbitrator. The primary objective of the impartial arbitrator is to endeavor to get all three arbitrators to agree on a final disposition of the

Dispute. The powers of the arbitrators are to interpret and apply the terms of the Agreement as negotiated by the Parties. The arbitrators will have no power to add to, subtract from or modify the terms of the Agreement as negotiated by the Parties. If this cannot be attained, then the three arbitrators by majority ruling may adopt such procedures as they deem efficient and appropriate for making the determinations submitted to them for adjudication. The Parties agree that no court will have the power to interfere with the proceedings and judgments of the arbitrators other than to enforce the final determination of the arbitrators. No statements by, or communications between, the Parties during negotiation or mediation, or both, will be admissible for any purpose in arbitration. Each Party will each bear its internal expenses and its attorney's fees and expenses, and jointly share the cost of the impartial arbitrator; provided, no interest will be applied to any arbitration award. It is the intent of the Parties to first allow the arbitrators an opportunity to meet and negotiate a unanimous decision. However, if a unanimous agreement cannot be reached through negotiation, then the decision of the impartial arbitrator will be final and binding on the Parties. Notwithstanding the foregoing, either Party hereto may resort to a court by applying for interim relief, without the requirement to post a bond or security, if such Party reasonably determines that such relief is necessary because claims for money are not adequate to prevent irreparable injury to it or to a third party. The venue for any such proceeding shall be in Evansville, Indiana.

EXHIBIT B
MAINTENANCE AND REPAIR

Throughout the Term, LESSOR shall have the obligation, at its cost, to maintain and repair the LESSEE Fibers and each Fiber Route, in accordance with the following requirements and procedures:

1. Maintenance.

(a) Scheduled Maintenance. Routine maintenance and repair of the LESSEE Fibers, as described in this section, ("**Scheduled Maintenance**") shall be performed by or under the direction of LESSOR, at LESSOR's discretion or at LESSEE's reasonable request. Scheduled Maintenance shall include the following activities:

- (i) Patrol of the Fiber Route on a periodic basis; and
- (ii) LESSOR will subscribe to each and all One-Call Agencies that affect the Fiber Route.

(b) Unscheduled Maintenance. Non-routine maintenance and repair of the Fiber Route, which is not included as Scheduled Maintenance, ("**Unscheduled Maintenance**"), shall be performed by or under the direction of LESSOR. Unscheduled Maintenance shall consist of:

(i) "**Emergency Unscheduled Maintenance**" in response to an alarm identification by LESSOR's Operations Center, notification by LESSEE or notification by any third party of any failure, interruption or impairment in the operation of the Fiber Route, or any event imminently likely to cause the failure, interruption or impairment in the operation of the Fiber Route.

(ii) "**Non-Emergency Unscheduled Maintenance**" in response to any potential service-affecting situation to prevent any failure, interruption or impairment in the operation of the Fiber Route.

LESSEE shall immediately report the need for Unscheduled Maintenance to LESSOR in accordance with procedures promulgated by LESSOR from time to time. LESSOR will log the time of such report, verify the problem and dispatch personnel immediately to take corrective action. LESSEE shall reimburse LESSOR for any maintenance costs arising out of or related to the acts or omissions of LESSEE or others authorized by LESSEE, including end users.

2. Network Operations Center.

LESSOR shall operate and maintain a Network Operations Center ("NOC") staffed twenty-four (24) hours a day, seven (7) days a week by trained and qualified personnel. LESSOR's maintenance employees shall be available for dispatch twenty-four (24) hours a day, seven (7) days a week. LESSOR shall use commercially reasonable efforts to have its first maintenance employee at the site requiring Emergency Unscheduled Maintenance activity within two (2) hours after the time LESSOR becomes aware of an event requiring Emergency Unscheduled Maintenance, unless delayed by circumstances beyond the reasonable control of LESSOR. LESSOR shall maintain a toll-free telephone number to contact personnel at the NOC.

3. Cooperation and Coordination.

(a) LESSEE shall utilize an Operations Escalation List, as updated from time to time, to report and seek immediate initial redress of exceptions noted in the performance of LESSOR in meeting maintenance service objectives.

(b) LESSEE will, as necessary, arrange for unescorted access for LESSOR to all sites on the Fiber Route under LESSEE's control, subject to applicable contractual, underlying real property and other third-party

limitations and restrictions.

(c) In performing its services hereunder, LESSOR shall take workmanlike care to prevent impairment to the signal continuity and performance of the Fiber Route. The precautions to be taken by LESSOR shall include notifications to LESSEE. In addition, LESSOR shall reasonably cooperate with LESSEE in sharing information and analyzing the disturbances regarding the cable and/or fibers. In the event that any Scheduled or Unscheduled Maintenance hereunder requires a traffic roll or reconfiguration involving cable, fiber, electronic equipment, or regeneration or other facilities of LESSEE, then LESSEE shall, at LESSOR's reasonable request, make its personnel available as may be necessary in order to accomplish such maintenance, which personnel shall coordinate and cooperate with LESSOR in performing such maintenance as required of LESSOR hereunder.

(d) LESSOR shall notify LESSEE at least forty-eight (48) hours prior to the date in connection with any Planned Service Work Period (PSWP) of any Scheduled Maintenance and as soon as possible after becoming aware of the need for Unscheduled Maintenance. LESSEE shall have the right to be present during the performance of any Scheduled Maintenance or Unscheduled Maintenance so long as this requirement does not interfere with LESSOR's ability to perform its obligations under this Agreement. In the event that Scheduled Maintenance is canceled or delayed for whatever reason as previously notified, LESSOR shall notify LESSEE at LESSOR's earliest opportunity, and will comply with the provisions of the previous sentence to reschedule any delayed activity.

4. Facilities.

LESSEE will be solely responsible for providing and paying for any and all maintenance of all electronic, optronic and other equipment, materials and facilities used by it in connection with the operation of LESSEE's Fibers, none of which is included in the maintenance services to be provided hereunder.

This resolution approves adding the public question/proposition for a Special County Retailers' Occupation tax increase for public safety to the November 8, 2022 general election ballot.

STATE OF ILLINOIS

COUNTY OF KANE

RESOLUTION: NO.

SPECIAL COUNTY RETAILERS' OCCUPATION TAX FOR PUBLIC SAFETY

WHEREAS, pursuant to the Special County Retailers' Occupation Tax for Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Law, 55 ILCS 5/5-1006.5, a county board of any county may impose a tax ("Special County Retailers' Occupation Tax") upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county (except as otherwise provided in 55 ILCS 5/5-1006.5), if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question; and

WHEREAS, a Special County Retailers' Occupation Tax pursuant to 55 ILCS 5/5-1006.5, if approved by a majority of the electors, may only be imposed in one-quarter percent increments, and may not be imposed on tangible personal property taxed at the 1.0% rate under the Retailers' Occupation Tax Act or the Service Occupation Tax Act; and

WHEREAS, the County Board has determined that there is an urgent need to secure additional funding sources to support public safety in Kane County, the cost of which has dramatically increased due in part to the passage of the Safety, Accountability, Fairness and Equity-Today Act (the "SAFE-T Act"), which was enacted in 2021 and mandates additional duties, responsibilities and other requirements for law enforcement agencies and the criminal justice system, and further eliminates revenue realized through cash bail; and

WHEREAS, a Special County Retailers' Occupation Tax for Public Safety, pursuant to 55 ILCS 5/5-1006.5, may be imposed for "public safety purposes" to pay for "crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services;" and

WHEREAS, it is in the best interests of the County's residents and businesses that the County Board submit to the electors a public question/proposition, on the November 8, 2022, general election ballot, for a 0.50% Special County Retailer's Occupation Tax for Public Safety pursuant to 55 ILCS 5/5-1006.5, which, if approved by a majority of the electors, would be imposed to pay for public safety purposes; and

WHEREAS, if a 0.50% tax were approved by a majority of the electors, a consumer would pay an additional tax of \$0.005 in sales tax for every \$1.00 of tangible personal property bought at retail, an additional \$0.05 in sales tax for every \$10.00 of tangible personal property bought at retail, or an additional \$0.50 in sales tax for every \$100 of tangible personal property bought at retail; and

WHEREAS, pursuant to 55 ILCS 5/5-1006.5, the public question/proposition for a Special County Retailers' Occupation Tax for Public Safety Purposes shall read as follows:

TO PAY FOR PUBLIC SAFETY PURPOSES, SHALL THE COUNTY OF KANE BE AUTHORIZED TO IMPOSE AN INCREASE ON ITS SHARE OF LOCAL SALES TAX BY 0.50 %?

THIS WOULD MEAN THAT A COUNSUMER WOULD PAY AN ADDITIONAL \$0.50 IN SALES TAX FOR EVERY \$100 OF TANGIBLE PERSONAL PROPERTY BOUGHT AT RETAIL.

- Yes
- No

NOW, THEREFORE, BE IT RESOLVED, by the Kane County Board, that, pursuant to 55 ILCS 5/5-1006.5, the County Clerk of Kane County is hereby ordered to certify, submit and place on the November 8, 2022, general election ballot, the following public question/proposition, and to take all such necessary action in accordance with applicable law. The public question/proposition shall read as follows:

TO PAY FOR PUBLIC SAFETY PURPOSES, SHALL THE COUNTY OF KANE BE AUTHORIZED TO IMPOSE AN INCREASE ON ITS SHARE OF LOCAL SALES TAX BY 0.50 %?

THIS WOULD MEAN THAT A COUNSUMER WOULD PAY AN ADDITIONAL \$0.50 IN SALES TAX FOR EVERY \$100 OF TANGIBLE PERSONAL PROPERTY BOUGHT AT RETAIL.

STATE OF ILLINOIS

COUNTY OF KANE

RESOLUTION: NO.

ADOPTING THE EMPLOYMENT OF FAMILY MEMBERS POLICY TO THE KANE COUNTY PERSONNEL POLICY HANDBOOK

WHEREAS, the Human Service Committee from time to time recommends that additions be made to the Kane County Personnel Policy Handbook to provide guidance and establish procedures for County departments to ensure compliance with all applicable regulations; and

WHEREAS, a policy is needed to establish procedures regarding family relationships among County employees.

NOW, THEREFORE, BE IT RESOLVED by the Kane County Board that the Employment of Family Members Policy as set forth below is hereby added to the Kane County Personnel Policy Handbook.

EMPLOYMENT OF FAMILY MEMBERS

Policy

It is the policy of Kane County to hire and promote individuals based on their knowledge, skills, abilities, and potential. When the individual to be hired or promoted is the family member of an existing employee or officer of Kane County, the following guidelines must be followed to eliminate the existence or perception of a conflict of interest that can occur when family members work for the County.

Eligibility

All employees under the jurisdiction of the County Board are subject to this policy.

Definition of Family Member

For the purpose of this policy, a family member is defined as spouse, children, parents, step-parents, step-children, siblings, step-siblings, aunts and uncles, grandparents, or grandchildren. In-laws (or partner's family) are also considered family for the purpose of this policy.

Guidelines

- Employees shall not participate in or influence the hiring decision of a family member.
- Employees who are members of a family shall not work under direct supervision of the same manager.
- Employees shall not have any reporting relationship, supervise, or evaluate any of their family members.
- Employees shall not participate in any employment, compensation, disciplinary, reward, or promotion decision of any of their family members.

Disclosure of Family Relationships

To the extent an employee is aware and has any knowledge of a family member's application or employment with the County, it is the responsibility of the employee to disclose the existence of any family relationship with a current or potential employee to the Human Resources Department in writing prior to the placement of the family member. If a family relationship that violates the above guidelines is created during employment or is present on the effective date of this policy, the employee(s) must disclose the relationship to Human Resources in writing within ten (10) business days. Human Resources will work with the employees and their respective department heads to develop a solution that addresses and eliminates the potential conflicts of interest. Employees who fail to disclose their family relationship with another employee as defined under this policy may be subject to disciplinary action up to and including termination of employment.

Disclosure of Family Relationships

To the extent an employee is aware and has any knowledge of a family member’s application or employment with the County, it is the responsibility of the employee to disclose the existence of any family relationship with a current or potential employee to the Human Resources Department in writing prior to the placement of the family member. If a family relationship that violates the above guidelines is created during employment or is present on the effective date of this policy, the employee(s) must disclose the relationship to Human Resources in writing within ten (10) business days. Human Resources will work with the employees and their respective department heads to develop a solution that addresses and eliminates the potential conflicts of interest. Employees who fail to disclose their family relationship with another employee as defined under this policy may be subject to disciplinary action up to and including termination of employment.

STATE OF ILLINOIS

COUNTY OF KANE

RESOLUTION: NO.

**AMENDING THE DISCIPLINARY GUIDELINES IN THE KANE COUNTY PERSONNEL
POLICY HANDBOOK**

WHEREAS, , Kane County has a Disciplinary Guidelines defined in the Kane County Personnel Policy Handbook; and

WHEREAS, it is necessary from time to time to amend policies to ensure they are kept current with the needs of the County and kept compliant with all applicable laws and regulations; and

WHEREAS, the Human Services Committee has reviewed and recommended updates and amendments to the Disciplinary Guidelines.

NOW, THEREFORE, BE IT RESOLVED by the Kane County Board that Disciplinary Guidelines contained in the Kane County Personnel Policy Handbook is hereby amended as set forth below.

DISCIPLINARY GUIDELINES

POLICY

Any conduct that adversely affects job performance or the integrity of Kane County government, or violates County policy, or is violative of any law or regulation may be cause for disciplinary action up to and including termination. It is the policy of Kane County to provide progressive disciplinary guidelines to promote consistent application to all employees. However, nothing in this policy is intended to modify or alter the at will nature of employment with the County.

ELIGIBILITY

This policy applies to all employees under County Board jurisdiction regardless of position or employment status. Employees' subject to a collective bargaining agreement, contract, statute, or ordinance shall be governed by the applicable contract, statute, or ordinance.

GUIDELINES

1. Disciplinary action may be taken against an employee for a violation or infraction of County policy or for conduct that interferes with or adversely affects job performance or the integrity of Kane County government, or violates County policy, or is violative of any law or regulation. This may include, but is not limited to, any conduct observed by a supervisor, coworker, member of the public, captured on video surveillance, internet/email activity, cell phone/telephone usage, etc.
2. The disciplinary categories may or may not be used in sequential order. While progressive disciplinary steps may be followed, it is not always necessary or appropriate that a particular step be taken before moving to the next step, including termination. Certain conduct may warrant an immediate written warning, suspension, or termination. The County retains the discretion to decide which step is appropriate.

3. The following factors may be considered in determining the disciplinary action to be taken: the severity of the violation, the frequency of a repeated violation, the general work record of the employee, any prior disciplinary action, regardless of whether the circumstances leading to the discipline are related, and the employee's position and length of service with the County.
4. All formal disciplinary action against an employee requires prior approval of the employee's department head, after consultation with the Executive Director of Human Resources, to ensure consistency of action.
5. Should the employee facing disciplinary action be a department head, the chair of the standing committee to which the department head reports, in consultation with the Board Chair, the standing committee, and the Executive Director of Human Resources shall act as the Board's designee in disciplinary matters and will have the authority to issue documented oral and written warnings. Suspensions and terminations of department heads require the approval of the County Board.

PROCEDURES:

1. Department heads, or their supervisor designees, and designated committee chairs, as applicable, shall contact Human Resources as soon as possible when an employee is displaying unsatisfactory behavior or performance issues.
2. Department heads, or their supervisor designees, and designated department chairs, as applicable, with the assistance of Human Resources, will collect and document all relevant facts accurately and be specific. When documenting an incident, supervisors should avoid personal interpretation or editorials of the situation.
3. The Human Resources representative and the applicable department head or designated supervisor or committee chair shall review the circumstances, issues, and documentation of the incident.
4. The employee will be given the opportunity to explain what may have caused their unsatisfactory behavior or performance.
5. Depending upon the seriousness of the situation, the Human Resources representative will assist the department head or designated supervisor or committee chair in completing written documentation regarding the incident.
6. If the policy violation or improper behavior is severe, or if employee has already been disciplined and has not demonstrated satisfactory improvement, the department head in consultation with the Executive Director of Human Resources will determine further appropriate disciplinary action, up to and including termination. In the case where a department head is subject of the disciplinary action, the committee chair will consult with the standing committee and/or the County Board in closed session at a public meeting to determine the next step. Only the County Board may suspend or terminate a department head.

PROGRESSIVE DISCIPLINARY STEPS:

- (A) Documented oral warning - The department head or designated supervisor or committee chair may give an oral warning and explanation to the employee concerning unsatisfactory performance or conduct that violates county policy and why it is important that his/her performance be improved and/or the conduct is not to be repeated. All oral warnings will be given in a private setting. The department head, supervisor or committee chair will then make a short, written record of their conversation. The department head, supervisor or committee chair and the employee will initial the written record, and each will retain a copy of it. The record will become part of the employee's personnel file in Human Resources.

(B) Written warning - If the employee continues to have unsatisfactory performance and/or continues to violate county policy, or if the nature of the violation or infraction warrants, the department head, supervisor or committee chair may issue a written warning that contains the date and nature of the infraction, and any other pertinent data including corrective measures to be taken. The supervisor, the department head or committee chair will meet with the employee in a private setting to discuss and review the written warning and the applicable corrective action(s). The department head or committee chair will keep the original employee warning record for the departmental personnel file, and distribute copies as follows: one (1) copy shall be forwarded to the Human Resources Department for filing in the employee's personnel file, and one (1) copy shall be given to the employee.

(C) Suspension - Suspension may be used as a progressive disciplinary step or as a first step depending on the nature and severity of the violation. The department head, in consultation with the Executive Director of Human Resources, may suspend an employee with or without pay for a period not to exceed thirty (30) calendar days if there is evidence of, or a reasonable suspicion that, a serious offense has been committed. Prior to suspension, the department head will inform the employee orally, in a private setting, and in writing of the unacceptable conduct and the reason(s) a suspension is warranted, allowing the employee to give their side of the story. However, if the presence of the employee poses a continuing threat or disruption to the department, the department head may initiate an administrative leave pending review, with or without pay, without first meeting with the employee. Within twenty-four (24) hours of taking such action, the department head will consult with the Executive Director of Human Resources to document the violation or unacceptable conduct and schedule the meeting with the employee to be given the opportunity to present their side of the story. The Department Head will keep the original suspension record for the employee's departmental personnel file and distribute copies as follows: one (1) copy shall be forwarded to the Human Resources Department for filing in the employee's personnel file, and one (1) copy shall be given to the employee.

Suspensions of Department Heads require action of the County Board. However, if the presence of a department head poses a continuing threat or disruption to the department, the chair of the standing committee to which the department head reports, in consultation with the vice chair of the standing committee, the Chairman of the County Board and the Executive Director of Human Resources, may place the department head on a paid administrative leave, pending review by the County Board at its next meeting, without first meeting with the employee. The committee chair will consult with the Executive Director of Human Resources to document the violation or unacceptable conduct. Human Resources will then work with the State's Attorney's Office to perform any necessary investigation, and schedule a meeting with the employee, who will be given the opportunity to present their side of the story.

(D) Termination - Kane County retains the right to discharge an employee by action of a department head with approval from the Executive Director of Human Resources, or their designee, or through action taken by the County Board. Progressive disciplinary procedures may be bypassed and immediate termination can occur at the discretion of the department head and the Executive Director of Human Resources and/or the

County Board, as applicable. Unless the presence of the employee poses a continuing threat or disruption to the department, prior to termination the department head and Human Resources representative will meet with the employee in a private setting to provide the employee an opportunity to give their side of the story. If the employee poses a continuing threat or disruption to the department, the department head in consultation with the Executive Director of Human Resources or their designee may immediately place the employee on paid or unpaid administrative leave without meeting with the employee. The employee will be given the opportunity to respond to the reasons for termination and give his or her side of the story to the department head and Executive Director of Human Resources in writing.

After consideration of the facts, Human Resources will notify the employee in writing of his or her termination, the effective date of the termination, and any other information relative to a separation of employment.

Terminations of department heads require action of the County Board. However, if the presence of a department head poses a continuing threat or disruption to the department, the chair of the standing committee to which the department head reports, in consultation with the vice chair of the standing committee, the Chairman of the County Board and the Executive Director of Human Resources, may place the department head on a paid administrative leave, pending review by the County Board at its next meeting, without first meeting with the employee. The committee chair will consult with the Executive Director of Human Resources to document the violation or unacceptable conduct. Human Resources will then work with the State's Attorney's Office to perform any necessary investigation and schedule a meeting with the employee, who will be given the opportunity to present their side of the story.

A copy of the written notice of termination will be distributed as follows: one (1) copy shall be filled in the employee's departmental personnel file, one (1) copy shall be forwarded to the Human Resources Department for filling the employee's personnel file, and one (1) copy shall be given to the employee.

4. CHANGE ORDERS

Whenever it becomes apparent that extra work is necessary on a project, the Resident shall contact KDOT. KDOT shall determine the appropriate course of action. Payment for extra work shall be classified as either an agreed Unit Price or a Force Account. In the case when an Agreed Unit Price shall be used, The Resident shall submit a formal request letter to the Contractor. This letter shall list the requested item, unit, and estimated quantity for an Agreed Unit Price.

Once the Contractor's Agreed Unit Price letter is received, the KDOT shall review it. If the Agreed Unit Price letter is found acceptable, the Resident shall prepare the appropriate Change Order form and submit it to KDOT for further processing by IDOT. In the case when a Force Account is used, the process shall be same as that of an Agreed Unit Price, except that the Resident shall submit a formal request letter to the Contractor requesting an estimated amount for time, equipment and material costs for the proposed Force Account work.

No extra work shall be permitted unless authorized by KDOT.

The Resident shall document all additional work under Force Account, daily by using IDOT form BC-635 and both the Contractor and the Resident will retain copies.

All documented partially and completed work that has all required material inspection should be shown for payment on the Engineer's Payment Estimate form. This form shall be used for all projects (except projects using Federal funds). The form is available as a spreadsheet on Microsoft Excel and is available from KDOT.

The pay estimate form for projects using Federal funds shall be received from IDOT (Bureau of Construction - FAUS Projects) once a month. The Resident shall write in the quantities, sign his/her name to the bottom of the form, and return it to IDOT (Bureau of Construction - FAUS Projects) for processing of payment. The Resident shall meet with the Contractor before the pay estimate is submitted to insure agreement of all quantities included in the pay estimate for the month. Any discrepancy or disagreement between the contractor and the ENGINEER shall be immediately reported to the KDOT.

The Resident shall then submit the pay estimate to KDOT for review and processing of payment.

6. INSPECTION MATERIAL

The Materials ENGINEER shall be under the direct employment of ENGINEER and shall be assigned by the KDOT. The Resident shall coordinate, direct, and schedule all material inspection with the Materials ENGINEER. The Materials ENGINEER shall not be responsible for determining when, what, and where they should be performing material inspection. All billings for material inspection services shall be checked and verified with the Project Diary by the Resident or his/her staff for correct dates, hours, and charges. Any disparities shall be reported to KDOT as soon as possible. Copies of all material inspection billings shall be kept in the Resident's file.

Materials inspection and documentation is the responsibility of the Materials ENGINEER. However, the Resident and his/her staff shall verify that the quality, quantity, and frequency of all material inspection reports meet the requirements of TOOT (Bureau of

Materials). Copies of completed material inspection reports shall be retained in the Resident's file.

The Resident shall receive a list of the items from KDOT that KDOT would like to agree upon.

The Resident and or his/her staff shall, from the plans, verify the accuracy of the quantity of each item on the list. The Resident shall then submit his/her findings, which shall include all calculations used to determine the accuracy of the quantity on the list to KDOT. The KDOT will review the Resident's calculations to determine which items to include on IDOT form BC-981. This form shall be presented to the Contractor at the Pre-Construction Conference and be reviewed, signed, and returned to KDOT before any construction work has begun.

8. CONSTRUCTION LAYOUT VERIFICATION

All construction layout and staking shall normally be provided by the Contractor and paid for by the item "Construction Layout Stakes". The Resident and or his/her staff shall recover and identify all horizontal control points, benchmarks, and right-of-way corners (for newly acquired parcels) prior to construction. The Resident shall instruct Contractor to submit copies of all field book information regarding layout on a daily basis to be retained in the Resident's file. The Resident and or his/her staff shall use standard survey methods to randomly check all horizontal locations and elevations for every staking operation. The Resident and or his/her staff shall document all layout checks in a field book. In the event that an error is found, the Resident shall notify the Contractor immediately and insure that he/she corrects the error as soon as possible. If an unnecessary amount of layout errors persist, the Resident shall notify KDOT as soon as possible.

9. TRAFFIC CONTROL INSPECTION

Inspection of all traffic control devices, signing, pavement marking, etc. shall be inspected and photographed by the Resident or his/her staff at least twice a day when the Contractor is working and once a day when is the Contractor not working. One of the traffic control inspections shall be done at the later part of the day, before the contractor leaves, to allow time for the contractor to correct any deficiencies before they leave at the end of the day. The Resident and or his/her staff shall verify that all traffic control is accordance with the Traffic Control plan, and all applicable standards. The Resident and or his/her staff shall notify the Contractor as soon as possible of any and all deficiencies including:

- a. Downed and/or damaged signs
- b. Downed and/or damaged barricades or sign panels
- c. Worn, missing or conflicting temporary pavement marking
- d. Malfunctioning or damaged temporary traffic signals and temporary roadway lighting

Overall Project Inspection (Final Walk-Through): Upon notice from the Contractor of completion of the entire project, the Resident shall schedule a walk-through inspection with the Contractor, KDOT and any other agency (Municipal and/or State) representatives if there is any outside agency funding. The inspection shall consist of walking the length of all portions of roadway (both sides). The Resident shall include any and all deficiencies that are discovered in the Resident's Punch list. The Punch list shall be addressed to the Contractor and signed by the Resident. The Punch list shall be mailed to the Contractor, and a copy shall be sent to KDOT. Once all deficiencies have been addressed, the Resident shall conduct another inspection with the Contractor to insure that all the items on the punch list have been addressed.

11. FINALING OUT OF PROJECTS

Upon receiving notice of project completion from the Contractor, the Resident shall schedule a meeting with the Contractor and KDOT to finalize quantities for all items per contract. Once final quantities are agreeable with both the Contractor and KDOT, the Resident shall prepare an Engineer's Semi-Final Pay Estimate, which shall include all final quantities with 1% retainage. The Engineer's Semi-Final Pay Estimate shall then be submitted to KDOT for review and processing of payment.

The Resident shall also prepare Engineer's Final Pay Estimate, which shall be the same as the Engineer's Semi-Final Pay Estimate with the exception that the retainage shall be reduced to 0%. This final pay estimate shall be presented on the Engineer's Final Pay Estimate form, which can be obtained from KDOT. The Resident shall also prepare and submit to KDOT the following:

- a. Balance Authorization sheet(s)

The Balance Authorization form is available as a spreadsheet on Microsoft Excel and can be obtained from KDOT.

Once the Engineer's Final Pay Estimate is submitted to IDOT for approval, the Bureau of Materials shall check all items for the required materials inspection and certification. The Resident shall receive a list of material deficiencies from KDOT. The Resident then shall make a formal request to the Contractor and or the Materials ENGINEER for all needed material inspection and certification. Once the Resident receives all requested material inspection and certification, he/she shall submit it directly to I.D.O.T. (Bureau of Materials).

12. RECORD DRAWINGS and SCANNED JOB BOX

The Resident and or his/her staff shall provide a complete set of record drawings (as built plans) to K.D.O.T. for their records. The record drawings shall be marked as "RECORD DRAWINGS" dated and initialed by the individual(s) who prepared them. All sheets, regardless of whether they have been modified, shall be marked as RECORD or AS BUILT in an appropriate box or space. The drawings shall consist of a 24"x 36" size set of project plans that have all changes and additions tagged by clouds or similar easy to see markings in red ink. In addition, the ENGINEER

shall provide professionally scanned copies of all "AS BUILT" plans, as well as the entire DOT or KDOT approved project job box, in PDF format as part of the engineering services for the project. A version of the "As Builts" in AutoCAD shall also be provided for GIS purposes. Copies of all photos taken by the RE and staff in JPEG format shall also be included in the final documents.
