JOB POSTING **May 3, 2024**

KANE COUNTY HEALTH DEPARTMENT

CD Surveillance Practitioner

\$22.58/HR – \$25.00/HR (DOQ)
35 HR/WK

Aurora Location: The Communicable Disease Surveillance Practitioner promotes individual and population health by conducting disease surveillance activities in accordance with Illinois Communicable Disease Control Laws and Department policy in a variety of settings. Responsibilities include a broad scope of chronic and communicable disease investigation, client interviewing, education and risk reduction counseling; consultation with, and provision of technical assistance to, health care providers, as well as public health interventions related to community health improvement priorities.

Requirements:

- Bachelor's degree in public health, nursing, or related science.
- Two (2) years of communicable disease surveillance experience preferred.
- Valid Illinois driver's license; current certificate of vehicle insurance
- Proficiency in basic computer skills.
- Ability to meet the physical demands of the position.

Application Deadline: Open until filled.

How to Apply:

Go to www.countyofkane.org under the Employment tab to complete online application, and EEO form; and, upload your cover letter, resume and references.

Qualified applicants will be required to submit to a criminal background check.

EEO Employer/Program.
