

<b>Job Title:</b> CNC Operator	<b>Department:</b> Fabrications
<b>Experience:</b> 2+ years	<b>Location:</b> 667 N. State Street, Elgin IL
<b>Worker Category:</b> Full-Time	<b>Reports to:</b> Production Supervisor

**Position Overview:** Responsible for setting up, calibrating, and operating CNC machines and equipment to produce high-quality products. The CNC Operator will also be responsible for loading and unloading raw materials, performing routine maintenance, and ensuring all safety guidelines are followed.

**Functional Responsibilities:**

- Set up, calibrate, and operate ZUND CNC machines and other equipment according to production specifications and schedules.
- Load raw materials into CNC machines and ensure proper alignment and calibration.
- Keep detailed records of equipment and procedures
- Perform necessary maintenance and cleaning of equipment
- Monitor machine operations to ensure accuracy and quality of finished products.
- Inspect the finished product to ensure it meets the required specifications
- Maintain a clean and safe work environment by following safety protocols and procedures.
- Document production activities, including setup sheets, tool changes, and production logs.
- Collaborate with area leads, managers, and other team members to optimize production processes.

**Qualifications:**

- High school diploma or equivalent; technical certification in CNC operation or machining is preferred.
- Proven experience as a CNC Operator or similar role in a manufacturing setting.
- Familiarity with ZUND CNC machine operation, setup, and maintenance is preferred.
- Experience in reading and interpreting technical drawings and blueprints.
- Ability to use precision measurement tools and equipment.

- Knowledge of safety standards and procedures in a manufacturing environment.
- Ability to perform basic math calculations and understand geometrical dimensions and tolerances (DG&T).
- Excellent problem-solving skills and attention to detail.
- Good communication and organization skills.

**Physical Requirements:**

- Ability to stand, walk, and work in a noisy environment for extended periods.
- Ability to push, pull, or move items up to 50 pounds without assistance.
- Manual dexterity and good hand-eye coordination.
