

Success Stories

KERMIT LATTIMORE

While in the Future Workforce Leaders program, Kermit had the opportunity to complete paid work experience at Elgin Community College in the Student Life Office. Kermit is not afraid or shy to fail as he tries new things. He is currently working on obtaining his Associate of Applied Science degree and he's interested in communication and computers. Kermit continues to speak highly of the Future Workforce Leaders program and believes it is beneficial for anyone looking for career and educational guidance and support.

EVELIN GONZALEZ-TAPA

"I joined the Future Workforce Leaders Program, which guided me through various career paths. In addition, from the program, I gained valuable work experience. As a matter of fact, ECC was my first employer. I worked at the Early Childhood Lab School for one year. After that, I obtained a job at U-46 as a paraprofessional. Still, the workforce program at ECC checked on me often and provided guidance during job hunting."

Future Workforce Leaders

Career Exploration and Guidance for Young Adults

What is the Future Workforce Leaders Program?

The Future Workforce Leaders program supports individuals between the ages of 16-24 to find a path to career success.

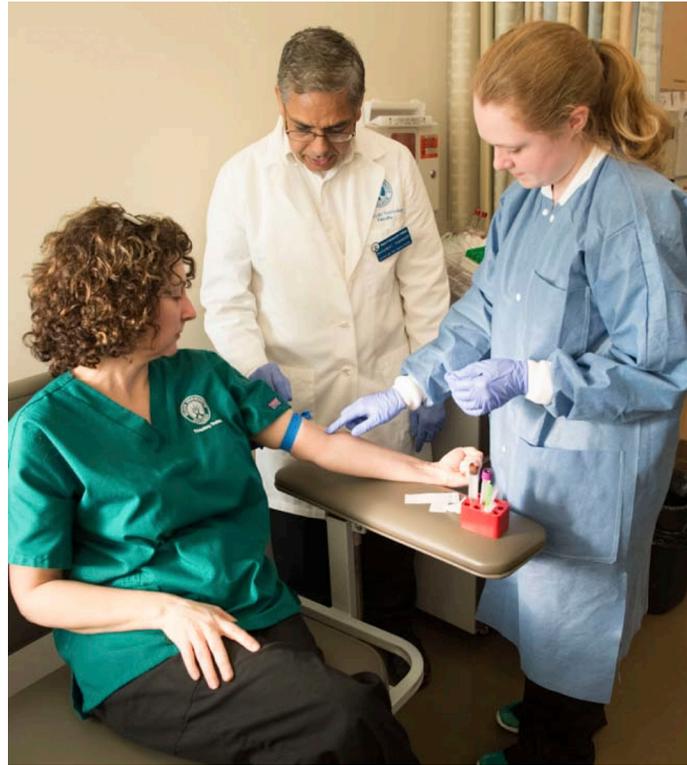

For all approved participants, we can provide:

- Career exploration
- Free tuition, fees, and books
- GED®/high school equivalency (HSE) preparation
- 1:1 career advising
- Paid work experience
- Workshops
- Leadership development

Career Pathway Options

Selection of Career Pathways are supported by tuition assistance, paid work experience, job shadowing, volunteering, and career mentorships in the following areas:

- Automotive
- Business/Finance
- Commercial Driver's License (CDL)
- Health care
- Manufacturing
- Technology

Undecided about your career path or don't know your next steps?

Let us help you.

Through our job shadowing, career mentorship, volunteering, internships, apprenticeships, and paid work experience we can help you decide where you want to be!

Program information sessions will occur every Monday in Building K, Room K128. For more information, contact us at: WIOA@elgin.edu
